Administrative Medical Assistant

Imagine yourself in a professional setting working with patients and physicians. It doesn't take a medical degree to help people. You can make a difference. With our Administrative Medical Assistant program, you can gain the skills you need to perform administrative duties. Learn about medical billing, information coding and recordkeeping. Work in the office of a physician or health practitioner and be a valued part of the healthcare community.

Why Milan Institute?

STUDENT SERVICES

Career Services Assistance

Once your education is complete, you can benefit from our job placement assistance. The Career Services department at each Milan Institute campus offers community resources, professional and resume development and job placement assistance for graduates.

Financial Aid

Finding a way to pay for college shouldn't prevent you from accomplishing your dreams. Milan Institute's Financial Aid department can help you understand the financial aid process and will assist you in applying for student loans and grants.

Milan Institute participates in Title IV Federal Financial Assistance programs under authorization of the U.S. Department of Education, Office of Student Financial Assistance. Any student interested in obtaining federal aid should visit or call the financial aid office and request a Student Financial Aid Guide or visit www.studentaid.ed.gov to view online federal assistance publications.

Experienced & Qualified

Our instructors are professionals in their respective fields bringing current industry insight right to the classroom. Our instructors bring the relevant, on-the-job experience you can't get in any textbook.
