

Milan Institute and Milan Institute of Cosmetology provides information for programs that lead to state licensure regarding whether completion of this program would be sufficient to meet licensure requirements in a State for that occupation, including positive licensure determination, negative licensure determination, and no licensure determination per requirements from the United States Department of Education.

**Definitions:**

Positive Licensure Determinations: A list of all states for which the institution has determined that its curriculum meets the state educational requirements for licensure or certification.

Negative Licensure Determinations: A list of all states for which the institution has determined that its curriculum does not meet the state educational requirements for licensure or certification.

No Licensure Determinations: A list of all states for which the institution has not made a determination that its curriculum meets the state educational requirements for licensure or certification.

**CALIFORNIA:**

Barbering program:
