STUDENT'S RIGHT TO CANCEL- Cancellation Policy

Milan Institute of Cosmetology advises each student that a notice of cancellation shall be in writing and that Milan Institute of Cosmetology shall refund 100 percent of the amount paid for institutional charges, if the notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later after the first scheduled class session. The enrollment agreement shall be signed by the student and by an authorized employee of the institution. If an applicant accepted by Milan Institute of Cosmetology cancels prior to the start of scheduled classes or never attends class (no-show), the institution must refund all monies paid.

Cancellation of this agreement must occur on or before: _____

REFUND POLICY

Institutions are required to apply State, Licensing and/or Accreditation refund policies as applicable to the location and program attended. If more than one set of regulations applies, the calculation that best benefits the student will be the refund policy adopted.

The student has the right to withdraw from a course of instruction at any time. The student will notify the Campus Director or Education Leader in writing via letter, email, or text OR may meet with the Campus Director, Education Leader to complete withdrawal paperwork. The student is obligated to pay only for educational services rendered and for unreturned equipment. If the student withdraws from a program of instruction after the period allowed for cancellation of the agreement, as listed above in "Cancellation of Agreement," the school will remit a refund within 45 days following the student's withdrawal whether officially or unofficially.

A "fair and equitable refund" will be computed based on scheduled hours of class attendance through the last date of attendance. Leaves of absence and school holidays will not be counted as part of the scheduled class attendance.

REFUNDS SHALL BE CALCULATED AS FOLLOWS:

A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the California Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student and is to be paid within 45 days of the determination of withdrawal.

- Milan Institute of Cosmetology is an institution that participates in the federal student financial aid programs, and, as required, Milan Institute of Cosmetology shall provide a determination of tuition charges based on a pro rata refund of tuition based upon the students' progress in their program of study up to point where the student who has completed 60 percent of the total charges for the current period of attendance.
 - The amount owed equals the daily charge for the program (*total institutional charge, divided by the number of days or hours in the program*), multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal.
 - For purposes of determining a refund under this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws **or** is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.
- If the student obtains equipment, as specified in the agreement as a separate charge, and returns it in good condition (equipment seal cannot be broken, log-on occurred, or is marked or damaged in any way) within 45 days following the date of your withdrawal, Milan Institute of Cosmetology shall refund the charge for the equipment paid by the student.
- If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within this 45-day period, Milan Institute of Cosmetology may offset against the refund of the documented cost to the school of the equipment.
- The student shall be liable for the amount, if any, by which the documented cost of the equipment exceeds the pro-rated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount Milan Institute of Cosmetology has charged in the contract.
- For a list of these charges, see Addendum of the Enrollment Agreement. If the amount that the student has paid is more than the amount that is owed for the time of attendance, and then a refund will be made within 45 days after the date of withdrawal.

Milan Institute of Cosmetology shall also provide a pro rata refund of non-federal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Milan Institute of Cosmetology shall also maintain a cancellation and withdrawal log, kept current on a monthly basis, which shall include the names, addresses, telephone numbers, and dates of cancellation or withdrawal of all students who have cancelled the enrollment agreement with, or withdrawn from, the institution during the calendar year.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program.

WITHDRAWAL DATE

Withdrawal: Is the termination of an enrolled student prior to successful completion of a program. Classifications of withdrawals include but are not limited to a drop, dismissal and out-of-school transfer.

A student may officially withdraw by providing notification either orally or in writing to any school official. For purposes of an unofficial withdrawal and the date of determination for tuition refund and Return to Title IV purposes, the determination of withdrawal can be no more than 14 consecutive calendar days from the last date of attendance, except in those cases when a student fails to return from a scheduled leave. Milan Institute of Cosmetology is an institution that is required to take attendance, and, as such, is expected to have a procedure for routinely monitoring attendance of its students to determine, in a timely manner, when a student ceases to be enrolled and attending. Milan Institute of Cosmetology states that the date of determination that the student withdrew is no later than 14 days after the student's last date of attendance as determined by its attendance records.

PROGRAM CANCELLATION POLICY

If a program or course is cancelled subsequent to a student's enrollment, and before instruction in the program has begun, the school shall provide a full refund of all monies paid.

If the school closes permanently and ceases to offer instruction after students have enrolled, or if a program is cancelled after students have enrolled or instruction has begun, the school will provide a pro rata refund for all students transferring to another school, as approved by the Bureau of Private Postsecondary Education, based on the hours accepted by the receiving school or if a student does not transfer to another school a full refund of all monies paid.

RETURN TO TITLE IV CALCULATION (R2T4)

When a student withdraws from their program, a campus is required to determine the earned and unearned portions of Title IV aid. The determination is based on the amount of time the student spent in attendance or, in the case of a clock-hour program, was scheduled to be in attendance.

Up through the 60% point in each payment period or period of enrollment, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

For a student who withdraws after the 60% point-in-time, there are no unearned funds.

If the amount that the student has paid is more than the amount that the student owes for the time he/she has attended, then a refund will be made within 45 days. If a student who has received Title IV, HEA program assistance is owed a refund, the school will allocate the refund in the following order: Federal Direct Loan Program, Federal Parent Loan for Undergraduate Study (PLUS), Federal Pell Grant, any other Title IV Assistance, to student. If there is a balance due, the student is responsible for paying it.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

DELINQUENT TUITION

The student is charged a \$10.00 late fee for payments received 10 days after the due date. Any student who is delinquent in payments to the school may be suspended or terminated from school, at the discretion of the administration, until the school receives payment or the student makes written payment arrangements acceptable to the school. If an amount is due, a payment schedule is arranged. If a student does not follow the payment guidelines, after 90 days his/her account will be turned over to the Corporation's collection agency. The student will be responsible for all costs associated with collection.

TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs) and Federal Perkins Loans. When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must receive your permission before it can disburse them. You may choose to decline some or all the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school must receive your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt to the school.

There are some Title IV funds that you may have been scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled beyond the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. In addition, you may have exhausted all or a portion of your grace period and repayment of Direct Student Loans may begin immediately.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

NOTICE: YOU MAY ASSERT AGAINST THE HOLDER OF THE PROMISSORY NOTE YOU SIGNED IN ORDER TO FINANCE THE COST OF THE EDUCATIONAL PROGRAM ALL OF THE CLAIMS AND DEFENSES THAT YOU COULD ASSERT AGAINST THIS INSTITUTION, UP TO THE AMOUNT YOU

For this reason, you should make certain that your attendance at this institution will meet your education goals. This may include contacting an institution to which you may seek to transfer after attending Milan Institute of Cosmetology to determine if your certificate will transfer.

FEDERAL OR STATE GUARANTEED LOANS

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal and state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

GRADUATION REQUIREMENTS

Upon successful completion of the program students may be eligible to sit for the State licensing exam. Students in all programs must complete all subjects outlined in their designated program with no grade under 75% in any subject to be eligible for graduation. All students are required to pass the school's final examination with a grade of not less than 75% on both practical and written exams prior to graduation. Students who complete these requirements will receive their Certificate of Completion.

GRADUATION AND PLACEMENT INFORMATION

To help you make a good decision about whether to enroll, Milan Institute of Cosmetology wants you to know that: Milan Institute of Cosmetology does not guarantee employment but offers placement assistance to all eligible graduates. Milan Institute of Cosmetology offers career services to all graduates pursuing employment in their field of study. Services include assistance with creating resumes, guidance on how to conduct a job search, professionalism, and interview preparation. The institution which includes campuses in San Antonio and El Paso, TX; Vacaville, CA and Reno, NV has submitted the following data to its accreditation agency in accordance with annual report filing requirements.

The institution's accrediting agency has allowed flexibilities to the institution in the publication of its student outcome rates if the COVID-19 Pandemic has significantly impacted the ability of students to successfully graduate, sit for licensure and/or obtain employment. Any rates reported below that have been modified in accordance with these flexibilities have been adjusted in one of the following manners as indicated.

2020 Graduation: 67.08%, Placement: 67.29%, Licensure: 92.59%

Rates by individual campus and program are available on the Enrollment Agreement addendum.

In February 2021, NACCAS acted to place Milan Institute of Cosmetology on Low Outcomes Monitoring for Graduation Rates.

My initials serve as documentation that I have been informed of the above.

In 2019 and 2020, Milan Institute of Cosmetology merged two locations (Visalia, CA and Amarillo, TX) with other Milan Institute locations in the same city. As the Milan Institute locations were accredited by a different agency than the schools that were merging, NACCAS required us to count students that transferred to the new campus as dropped students for completion. Milan did appeal this decision with NACCAS but was denied. If these two locations were not included in the annual report rates published above, the completion rate would be 56.76%, which would be above benchmark for NACCAS.

EXAM AND LICENSURE FEES

Milan Institute of Cosmetology will pay for the initial exam and licensing fee to the California State Board of Barbering and Cosmetology within 60 days of the student's graduation date, or first available test date provided by the vendor.

INFORMATION ABOUT THE BEAUTY INDUSTRY

Those who practice Cosmetology work mostly in a salon, but may work in a spa, hotel, or resort. Estheticians work mostly in salons and spas but may work in a hotel or resort. Some lease booth space from a salon owner, and others manage salons or can open their own shop. Physical stamina is important, having to be on your feet for most of the time. Prolonged exposure to some chemicals may cause skin irritation, so they often wear protective clothing, such as disposable gloves or aprons. Employers look for the following traits when hiring: (1) Creativity by keeping up with the latest trends and trying new hairstyles for clients; (2) Customer-service by being pleasant, friendly, and able to interact with customers in order to retain clients, as well as listening carefully to what the client wants; (3) Tidiness by keeping a neat personal appearance and the work area clean and sanitary. This is necessary for clients' health and safety so they will be comfortable and want to return; and (4) Time-management is important in scheduling appointments and providing quality service so clients trust that you are dependable.

REFUNDS SHALL BE CALCULATED AS FOLLOWS:

A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the California Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, and is to be paid within 45 days of the determination of withdrawal.

- Milan Institute of Cosmetology is an institution that participates in the federal student financial aid programs, and, as required, Milan Institute of Cosmetology shall provide a determination of tuition charges based on a pro rata refund of tuition based upon the students' progress in their program of study up to point where the student who has completed 60 percent of the total charges for the current period of attendance.
 - The amount owed equals the daily charge for the program (*total institutional charge, divided by the number of days or hours in the program*), multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal.
 - For purposes of determining a refund under this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws **or** is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.
- If the student obtains equipment, as specified in the agreement as a separate charge, and returns it in good condition (equipment seal cannot be broken, log-on occurred, or is marked or damaged in any way) within 45 days following the date of your withdrawal, Milan Institute of Cosmetology shall refund the charge for the equipment paid by the student.
- If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within this 45-day period, Milan Institute of Cosmetology may offset against the refund of the documented cost to the school of the equipment.
- The student shall be liable for the amount, if any, by which the documented cost of the equipment exceeds the pro-rated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount Milan Institute of Cosmetology has charged in the contract.
- For a list of these charges, see Addendum of the Enrollment Agreement. If the amount that the student has paid is more than the amount that is owed for the time of attendance, and then a refund will be made within 45 days after the date of withdrawal.

Milan Institute of Cosmetology shall also provide a pro rata refund of non-federal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Milan Institute of Cosmetology shall also maintain a cancellation and withdrawal log, kept current on a monthly basis, which shall include the names, addresses, telephone numbers, and dates of cancellation or withdrawal of all students who have cancelled the enrollment agreement with, or withdrawn from, the institution during the calendar year.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program.

WITHDRAWAL DATE

Withdrawal: Is the termination of an enrolled student prior to successful completion of a program. Classifications of withdrawals include but are not limited to a drop, dismissal and out-of-school transfer.

A student may officially withdraw by providing notification either orally or in writing to any school official. For purposes of an unofficial withdrawal and the date of determination for tuition refund and Return to Title IV purposes, the determination of withdrawal can be no more than 14 consecutive calendar days from the last date of attendance, except in those cases when a student fails to return from a scheduled leave. Milan Institute of Cosmetology is an institution that is required to take attendance, and, as such, is expected to have a procedure for routinely monitoring attendance of its students to determine, in a timely manner, when a student ceases to be enrolled and attending. Milan Institute of Cosmetology states that the date of determination that the student withdrew is no later than 14 days after the student's last date of attendance as determined by its attendance records.

PROGRAM CANCELLATION POLICY

If a program or course is cancelled subsequent to a student's enrollment, and before instruction in the program has begun, the school shall provide a full refund of all monies paid.

If the school closes permanently and ceases to offer instruction after students have enrolled, or if a program is cancelled after students have enrolled or instruction has begun, the school will provide a pro rata refund for all students transferring to another school, as approved by the Bureau of Private Postsecondary Education, based on the hours accepted by the receiving school or if a student does not transfer to another school a full refund of all monies paid.

RETURN TO TITLE IV CALCULATION (R2T4)

When a student withdraws from their program, a campus is required to determine the earned and unearned portions of Title IV aid. The determination is based on the amount of time the student spent in attendance or, in the case of a clock-hour program, was scheduled to be in attendance.

Up through the 60% point in each payment period or period of enrollment, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

For a student who withdraws after the 60% point-in-time, there are no unearned funds.

If the amount that the student has paid is more than the amount that the student owes for the time he/she has attended, then a refund will be made within 45 days.

If a student who has received Title IV, HEA program assistance is owed a refund, the school will allocate the refund in the following order: Federal Direct Loan Program, Federal Parent Loan for Undergraduate Study (PLUS), Federal Pell Grant, any other Title IV Assistance, to student. If there is a balance due, the student is responsible for paying it.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

DELINQUENT TUITION

The student is charged a \$10.00 late fee for payments received 10 days after the due date. Any student who is delinquent in payments to the school may be suspended or terminated from school, at the discretion of the administration, until the school receives payment or the student makes written payment arrangements acceptable to the school. If an amount is due, a payment schedule is arranged. If a student does not follow the payment guidelines, after 90 days his/her account will be turned over to the Corporation's collection agency. The student will be responsible for all costs associated with collection.

TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs) and Federal Perkins Loans. When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must receive your permission before it can disburse them. You may choose to decline some or all the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school must receive your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt to the school.

There are some Title IV funds that you may have been scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled beyond the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. In addition, you may have exhausted all or a portion of your grace period and repayment of Direct Student Loans may begin immediately.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

FEDERAL OR STATE GUARANTEED LOANS

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal and state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

GRADUATION REQUIREMENTS

Upon successful completion of the program students may be eligible to sit for the State licensing exam. Students in all programs must complete all subjects outlined in their designated program with no grade under 75% in any subject to be eligible for graduation. All students are required to pass the school's final examination with a grade of not less than 75% on both practical and written exams prior to graduation. The institution which includes campuses in San Antonio and El Paso, TX; Vacaville, CA and Reno, NV has submitted the following data to its accreditation agency in accordance with annual report filing requirements.

The institution's accrediting agency has allowed flexibilities to the institution in the publication of its student outcome rates if the COVID-19 Pandemic has significantly impacted the ability of students to successfully graduate, sit for licensure and/or obtain employment. Any rates reported below that have been modified in accordance with these flexibilities have been adjusted in one of the following manners as indicated.

2020 Graduation: 67.08%, Placement: 67.29%, Licensure: 92.59%

Rates by individual campus and program are available on the Enrollment Agreement addendum.

In February 2021, NACCAS acted to place Milan Institute of Cosmetology on Low Outcomes Monitoring for Graduation Rates.

_____. My initials serve as documentation that I have been informed of the above.

In 2019 and 2020, Milan Institute of Cosmetology merged two locations (Visalia, CA and Amarillo, TX) with other Milan Institute locations in the same city. As the Milan Institute locations were accredited by a different agency than the schools that were merging, NACCAS required us to count students that transferred to the new campus as dropped students for completion. Milan did appeal this decision with NACCAS but was denied. If these two locations were not included in the annual report rates published above, the completion rate would be 56.76%, which would be above benchmark for NACCAS.

EXAM AND LICENSURE FEES

Those who practice Cosmetology work mostly in a salon, but may work in a spa, hotel, or resort. Estheticians work mostly in salons and spas but may work in a hotel or resort. Some lease booth space from a salon owner, and others manage salons or can open their own shop. Physical stamina is important, having to be on your feet for most of the time. Prolonged exposure to some chemicals may cause skin irritation, so they often wear protective clothing, such as disposable gloves or aprons. Employers look for the following traits when hiring: (1) Creativity by keeping up with the latest trends and trying new hairstyles for clients; (2) Customer-service by being pleasant, friendly, and able to interact with customers in order to retain clients, as well as listening carefully to what the client wants; (3) Tidiness by keeping a neat personal appearance and the work area clean and sanitary. This is necessary for clients' health and safety so they will be comfortable and want to return; and (4) Time-management is important in scheduling appointments and providing quality service so clients trust that you are dependable.
