ABOUT MILAN INSTITUTE OF COSMETOLOGY

AN INVESTMENT IN BEAUTY PAYS

If you want a career in cosmetology, this is the right choice for you. The exciting, ever-changing world of cosmetology will always be a source of professional and financial rewards. The outlook for the profession has never been better, with women today striving to achieve the “Total Look,” and more men are taking advantage of the salon scene and benefiting from style cuts, perms, manicures, and color. The work of the Cosmetology practitioner, Manicurist, or Esthetician is challenging and very rewarding, with a very high-income potential that can soon place you at a professional earning level. Since most salons pay on a commission basis, there is no ceiling on income in the cosmetology profession. Management presents even greater challenges, and salon ownership offers a sense of pride that every small business owner enjoys.

A copy of the HS diploma, HSED certificate, or transcripts showing high school completion and/or an academic transcript of a student who has successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree as equivalent to a high school diploma, must be provided.

Additionally, Milan Institute accepts the following as proof of eligibility:

- Passing a U. S. Department of Education approved Ability to Benefit Test (ATB). Please see the Ability to Benefit (ATB) Admissions Policies for further information.

Admission into the school's Cosmetology, Manicurist, Barbering, and Esthetician program require the applicant to pay a nonrefundable \$25.00 to cover the Permit Fee required by the Texas Department of Licensure and Regulations.

Prospective students interested in Barbering and Cosmetology related programs who have a record of crimes involving prohibited sexual conduct or crimes involving children as victims, or crimes of a physical nature against another person (such as homicide, kidnapping and assault) must complete the Texas Department of Licensing and Regulations ("TDLR") pre- approval process and pay the \$25 application fee. Admission procedures include individual advising, explanation of course descriptions, appointment with financial aid, enrollment, a tour of the campus, and orientation to the school regarding the policies, regulations, and requirements for the various classes.

Upon acceptance and before entering classes, the applicant must complete an enrollment agreement. This agreement details the prospective student's and the school's obligations. The final decision to admit an applicant rests with the school's administration.

Re-enrollment or re-entrance will be approved only after evidence is shown to the director's satisfaction that conditions which caused the interruption or unsatisfactory progress have been corrected. Re-entering students return to the institution in the same progress status as when they left.

ECP ENROLLMENT PROCESS

The ECP allows Ability to Benefit (ATB) Students to concurrently enroll in an Adult Education school, which may lead to a High School Diploma (or equivalent), and a post-Secondary school offering Career Pathway Programs.

CAREER PATHWAY PROGRAMS

Milan Institute has identified the following Eligible Career Pathway Programs, which align with the needs of industries in the San Antonio geographic areas:

- Cosmetology
- Esthetician
- Manicurist
- Barbering

ELIGIBLE CAREER PATHWAY PROGRAM (ECPP)

Students enrolled in an ECPP will be concurrently enrolled in one of the college's qualified vocational training programs and the Adult Education Program offered through C4L Academy. The goal is for the student to be able to work towards earning an Adult Education high school diploma while being able to work towards completing a Milan Institute vocational training program concurrently. The Adult Education program is offered by an approved adult education service provider (C4L Academy) and not by Milan Institute.

The student is required to attend the Adult Education Program classes and is expected to participate in those classes. The Adult Education Program is offered remotely online. The ECPP Coordinator will monitor participation and partner with Education to meet with the student as needed to provide academic advising. See specific details below under ECPP Participation Requirements & ECPP Withdrawal.

Milan Institute does not guarantee ECPP students will receive a high school diploma (or its equivalent), earn any industry certifications that are part of their Vocational Program, or graduate from Milan Institute.

Completing the vocational component of the program is not a condition for receiving a high school diploma.

ECPP PARTICIPATION REQUIREMENTS & CONCURRENT DISMISSAL

If a student does not log in to the C4L Academy portal to create a student account within 72 hours of enrolling with C4L, the student will automatically be canceled from the ECPP and Milan Institute's Vocational Program.

ECPP students who fail to participate in either the Adult Education or Vocational component of their ECPP program for 14 consecutive calendar days will be dismissed from their ECPP. Participation in the Adult Education Program is defined as completing any educational activity – where participation in the Vocational program is defined by Milan Institute's Satisfactory Academic Progress (SAP) and Attendance policies.

On the 14th consecutive calendar day missed, the student will be withdrawn from the Milan Institute.

During the program, if a student does not log into the Adult Education component for 7 consecutive calendar days, the student will be issued a documented ECPP participation advisement.

If a student fails to meet the college's Satisfactory Academic Progress Policies, they will be withdrawn from Milan Institute.

Dismissal from the Adult Education component of the ECPP for any reason shall result in dismissal from the Vocational component of the program.

ECPP Withdrawal: Upon withdrawal, the student will be held to the same catalog-defined refund policy as non-ECPP participating students.

Receiving the earned High School Diploma: Although Milan Institute has designed ECPP requirements to promote the completion of the Adult Education component and a Milan Institute Vocational Program, the college does not guarantee that the student will receive a high school diploma or its equivalent.

Completing the ECPP program's vocational component is not required to earn a high school diploma. Upon successful completion of the program's adult education component, the student may request a copy of their transcript directly from the adult education vendor.

ECPP RE-ADMISSION AND LEAVE OF ABSENCE (LOA)

Withdrawn ECPP students wishing to re-enroll are subject to Milan Institute's Re-Admission Policy in addition to an interview to evaluate the student's ability to continue the Adult Education component of the ECPP.

Active ECPP students who take a Leave of Absence (LOA) from Milan Institute's Vocational Program can still participate in the Adult Education component of the ECPP remotely if they can; however, if the student is unable to participate in the Adult Education component while on a Leave of Absence (LOA) they will be expected to continue participation when they return to Milan Institute from their LOA.

Inactivity in the adult education component during an approved LOA or scheduled calendar breaks will not cause the student to be withdrawn from the college.

ECPP ADULT EDUCATION COMPUTER LAB

Milan Institute provides ECPP Students with an on-campus space with WiFi and printer access to work through their Adult Education curriculum if they prefer to use our facility. The availability of this space is determined by campus operating hours.

The ECPP Adult Education component is offered online by an approved service provider and is self-directed. Students may work on the Adult Education curriculum off-campus via the internet.

This agreement details the prospective student's and the school's obligations. The final decision to admit an applicant rests with the school's administration.

TRANSFER OF CREDIT TO MILAN INSTITUTE OF COSMETOLOGY

Transfer students will receive credit for certified hours received from other schools or states according to state law, and their program will be shortened and tuition will be adjusted accordingly. Milan Institute of Cosmetology does not recruit students already attending or admitted to another school offering a similar program of study. Milan Institute of Cosmetology does not accept prior experiential learning.

Milan Institute will accept a maximum of 75% of the program credits or hours in transfer from another institution. Students requesting credit for previous coursework or experience are asked to notify their admissions representative during the enrollment process. The request will be forwarded to the Education Leader or Director, who will review documentation or arrange for testing as appropriate. The procedure will be completed prior to the student's first start date. There are no fees charged for evaluating or granting transfer of credit. Once a determination for granting credit has been made, tuition and fees will be adjusted prior to the start of class. Each student will need to meet with financial aid to determine eligibility. A negative determination may be appealed by contacting the School Director, whose decision is final.

TRANSFER OF CREDIT TO OTHER SCHOOLS

The transferability of credits for certified hours you earn at Milan Institute of Cosmetology is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate of completion earned in Cosmetology, Manicurist, or Esthetician programs is also at the complete discretion of the institution to which you may seek to transfer. If the certificate of completion that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Milan Institute of Cosmetology to determine if your diploma will transfer.

Milan Institute of Cosmetology has not entered into any articulation of training agreements with other educational entities.

ARBITRATION

Milan Institute of Cosmetology seeks to resolve disputes or claims between any student and the school in a manner that addresses an individual student's complaint in an efficient, cost-effective, and quicker manner than traditional litigation. A student who enrolls at Milan Institute of Cosmetology agrees, as a condition of his or her enrollment, to resolve any dispute through mandatory arbitration that shall not be adjudicated as a class action or a consolidated class arbitration proceeding. However, the school cannot require a student loan borrower to participate in arbitration or any internal dispute resolution process offered by the institution prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 CFR 685.206(e); the school cannot, in any way, require students to limit, relinquish, or waive their ability to pursue filing a borrower defense claim, pursuant to 34 CFR 685.206(e) at any time; and any arbitration, required by a pre-dispute arbitration agreement, tolls the limitations period for filing a borrower defense to repayment application pursuant to 34 CFR 685.206(e)(6)(ii).

How to Apply

To begin the process of applying for most aid programs, including grants and loans, students must first complete the Free Application for Federal Student Aid (FAFSA). This document is considered the primary resource for establishing eligibility for need-based aid at this institution. Grant aid is money that does not have to be repaid. Loan assistance includes borrowed money that will be repaid by the applicant.

Financial Aid Programs

The school participates in Title IV Federal Financial Assistance programs under authorization of the U.S. Department of Education, Office of Student Financial Assistance. Any student interested in obtaining Federal Aid should visit or call the financial aid office and request a Student Financial Aid Guide or visit www.studentaid.ed.gov to view online federal assistance publications. All consumer information that is required to be disclosed pursuant to applicable financial aid programs is provided.

Title IV assistance may include grant aid from the Federal PELL Program and/or self-help aid in the form of Direct Loans. Federal Student Loans are required by law to provide a range of flexible repayment options, including but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide. Federal Direct Loans are available to students regardless of income.

Some applicants may be selected for a process called verification. Initial notification is provided through the Student Aid Report created in response to the Free Application for Federal Student Aid (FAFSA). The verification selection may cover one or more aspects of your FAFSA information; including but not limited to, tax data, number in household, SNAP benefits, child support paid, high school completion, and identity. Be aware there are deadlines and consequences associated with this requirement. You should contact the campus Financial Aid Office for additional information and assistance, should your file be selected for verification.

Other Programs

Tuition Options payment plans are considered a private loan with a fixed interest rate based on the plan you have selected. This program does not determine interest based on borrower’s credit rating.

Students have the right to research and secure additional loan options. Private loans can offer variable rates that can increase or decrease over time, depending on market conditions. Students should determine the interest rate and associated fees of a private loan prior to accepting the terms of the loan. In some cases, the interest rate on a Private Loan may depend on the borrower’s credit rating. Students should contact the lender of the private student loan or the campus Financial Aid Office with any questions or concerns regarding student loan debt.

The information provided above and in referenced materials is not a guarantee of financial assistance. Individual need and circumstance must be evaluated to determine aid program eligibility. This need will be determined with and comply by all applicable federal, state and accreditation regulations.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest and fees, less the amount of any refund.

METHODS OF DISBURSEMENT

All Federal financial assistance awarded by the school is disbursed according to Federal regulations.

TUITION POLICY

It is the policy of the school that all tuition and fees are due and payable on the first day of attendance. Students must make other payment arrangements in advance of the first day of class with school officials. The school accepts payments in cash, check, MasterCard, and Visa. Prices are subject to change.

Books, materials, and supplies are provided at no charge to the student, unless otherwise indicated. For any materials that are an additional charge, the student may choose to opt-out on the Enrollment Agreement.

SCHOLARSHIPS AND GRANTS

Graduate Scholarship

A graduate from Milan Institute or Milan Institute of Cosmetology is eligible for a \$1,000.00 tuition scholarship upon enrolling in a subsequent program with a minimum of 600 hours. For programs with less than 600 hours, a graduate is eligible for a \$200.00 scholarship. This scholarship is a onetime event for graduates and is considered a discount to tuition.

Discounts may not be combined and students will receive only the best available discount, for which they qualify.

STUDENT'S RIGHT TO CANCEL

Cancellation Policy

Milan Institute of Cosmetology advises each student that a notice of cancellation shall be in writing and that Milan Institute of Cosmetology shall refund 100 percent of the amount paid for institutional charges., if the notice of cancellation is made through attendance as of the first scheduled class session, or the seventh day after enrollment, defined by means of executing an enrollment agreement whichever is later. The enrollment agreement shall be signed by the student and by an authorized employee of the institution. If an applicant accepted by Milan Institute of Cosmetology cancels prior to the start of scheduled classes or never attends class (no-show), the institution must refund all monies paid.

REFUND POLICY

Institutions are required to apply State, Licensing and/or Accreditation refund policies as applicable to the location and program attended. If more than one set of regulations applies, the calculation that best benefits the student will be the refund policy adopted.

The student has the right to withdraw from a course of instruction at any time. The student is obligated to pay only for educational services rendered and for unreturned equipment. If the student withdraws from a program of instruction after the period allowed for cancellation of the agreement, as listed above: "Student's Right to Cancel" the school will remit a refund within 30 days following the student's withdrawal whether officially or unofficially.

A "fair and equitable refund" will be computed based on scheduled hours of class attendance through the last date of attendance. Leaves of absence published scheduled breaks and school holidays will not be counted as part of the scheduled class attendance.

The school may not retain more than \$100 if:

- (A) tuition is collected before the course of training begins; and
- (B) the student fails to withdraw from the course of training before the cancellation period expires.

Refunds shall be calculated as follows:

(a) If a student begins a course of training that is scheduled to run not more than 12 months and, during the last 50 percent of the course, withdraws from the course or is terminated by the school, the school:

- (1) may retain 100 percent of the tuition and fees paid by the student; and
- (2) is not obligated to refund any additional outstanding tuition.

(b) If a student begins a course of training that is scheduled to run not more than 12 months and, before the last 50 percent of the course, withdraws from the course or is terminated by the school, the school shall refund:

- (1) 90 percent of any outstanding tuition for a withdrawal or termination that occurs during the first week or first one-tenth of the course, whichever period is shorter;
- (2) 80 percent of any outstanding tuition for a withdrawal or termination that occurs after the first week or first one-tenth of the course, whichever period is shorter, but within the first three weeks of the course;
- (3) 75 percent of any outstanding tuition for a withdrawal or termination that occurs after the first three weeks of the course but not later than the completion of the first 25 percent of the course; and
- (4) 50 percent of any outstanding tuition for a withdrawal or termination that occurs not later than the completion of the first 50 percent of the course.

(c) A refund owed under this section must be paid not later than the 30th day after the date the student becomes eligible for the refund.

If the student obtains equipment, as specified in the enrollment agreement as a separate charge and returns it unused within 30 days following the date of the student's withdrawal, the school shall refund the charge for the unused equipment paid by the student. If the student fails to return the equipment within this 30-days period, the school may offset the documented costs to the school of that equipment against the refund due. The student shall be liable for the amount, if any, by which the documented costs for the equipment exceed the refund amount. For a list of these costs, please see the enrollment agreement addenda.

If the student has paid in more than the amount that the student owes for the time, he/she has attended, then a refund will be made within 30 days. If the amount that the student owes is more than the student has already paid, the student will be responsible for the balance.

WITHDRAWAL DATE

Withdrawal: Is the termination of an enrolled student prior to successful completion of a program. Classifications of withdrawals include but are not limited to a drop, dismissal, and out-of-school transfer.

A student may officially withdraw by providing notification either orally or in writing to any school official. For purposes of an unofficial withdrawal and the date of determination for tuition refund and Return to Title IV purposes, the determination of withdrawal can be no more than 14 consecutive calendar days from the last date of attendance, except in those cases when a student fails to return from a scheduled leave. Milan Institute of Cosmetology is an institution that is required to take attendance, and, as such, is expected to have a procedure for routinely monitoring attendance of its students to determine, in a timely manner, when a student ceases to be enrolled and attending.

Milan Institute of Cosmetology states that the date of determination that the student withdrew is no later than 14 days after the student's last date of attendance as determined by its attendance records.

PROGRAM CANCELLATION POLICY

If a program or course is cancelled subsequent to a student's enrollment, and before instruction in the program has begun, the school shall provide a full refund of all monies paid.

If the school closes permanently and ceases to offer instruction after students have enrolled, or if a program is cancelled after students have enrolled or instruction has begun, the school will provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school or if a student does not transfer to another school a full refund of all monies paid.

DELINQUENT TUITION

The student is charged a \$10.00 late fee for payments received 10 days after the due date. Any student who is delinquent in payments to the school may be suspended or terminated from school, at the discretion of the administration, until the school receives payment or the student makes written payment arrangements acceptable to the school. If an amount is

due, a payment schedule is arranged. If a student does not follow the payment guidelines, after 90 days his/her account will be turned over to the Corporation's collection agency. The student will be responsible for all costs associated with collection.

RETURN OF TITLE IV FUNDS

When a student withdraws from a program, a campus is required to determine the earned and unearned portions of Title IV aid. The determination is based on the amount of time the student spent in attendance or, in the case of a clock-hour program, was scheduled to be in attendance.

Up through the 60% point in each payment period or period of enrollment, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

For a student who withdraws after the 60% point-in-time, there are no unearned funds.

If the amount that the student has paid is more than the amount that the student owes for the time, he/she has attended, then a refund will be made within 30 days. If a student who has received Title IV, HEA program assistance is owed a refund, the school will allocate the refund in the following order: Federal Direct Loan Program, Federal Parent Loan for Undergraduate Study (PLUS), Federal Pell Grant, any other Title IV Assistance, to student. If there is a balance due, the student is responsible for paying it.

TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq, and Afghanistan Service Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs) and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must receive your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you do not incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition and fees. The school must receive your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There may be some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remain enrolled beyond the 30th calendar day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned,

your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

The school must return this amount even if the school did not retain this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. In addition, you may have exhausted all or a portion of your grace period and repayment of Direct Student Loans may begin immediately.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

ENROLLMENT TIME

Enrollment time is defined as the time elapsed between the actual starting date and the date of the student's last day of physical attendance in school. Any monies due the applicant or student shall be refunded within thirty (30) days from the withdrawal date, or in the case of a leave of absence, the earlier of the documented date of scheduled return or the date the student notifies the institution that he/she will not be returning.

ARBITRATION POLICY

Should a dispute arise, which could not be settled through the school's internal grievance procedures, students and the school have agreed to arbitration at the time of enrollment as the only means legal recourse. Any dispute a student may bring against Amarillo College of Hairdressing, Inc., and/or any of its wholly owned subsidiaries, Milan Institute, Milan Institute of Cosmetology, or any of its parents, subsidiaries, successors, officers, directors, or employees, without limitation, (hereinafter collectively and individually referred to as "ACH") or which ACH may bring against a student, no matter how characterized, pleaded or styled, shall be resolved by binding arbitration pursuant to the Federal Arbitration Act and conducted by the American Arbitration Association ("AAA"), at the ACH location which the student attends or was attending, and under its Supplementary Rules for Consumer Related Disputes, and decided by a single arbitrator. Any dispute over the interpretation, enforceability or scope of this Arbitration Agreement shall be decided by the Arbitrator, and not by a Court. Both students and school explicitly waive any right to a jury trial and understand that the decision of the arbitrator will be binding, and not merely advisory.

Neither ACH nor student shall file any lawsuit against the other in any court and agree that any suit filed in violation of this provision shall be promptly dismissed by the court in favor of arbitration. Both ACH and school agree that the party enforcing arbitration shall be awarded costs and fees of compelling arbitration.

The costs of the arbitration filing fee, arbitrator's compensation, and facilities fees that exceed the applicable court filing fee will be paid by ACH.

Any dispute or claim brought by ACH or student shall be brought solely in their individual capacity, and not as a plaintiff or class member in any purported class action, representative proceeding, mass action or consolidated action.

Any remedy available from a court under the law shall be available in the arbitration.

To the extent a student has outstanding federal student loan obligations incurred in connection with their enrollment at ACH, any arbitration award providing monetary damages shall direct that those damages be first paid toward the student loan obligations.

Students and/or ACH may, but need not, be represented by an attorney at arbitration.

Information about the AAA arbitration process and the AAA Supplementary Rules for Consumer Related Disputes can be obtained at www.adr.org or 1-800-778-7879. Students must disclose the Arbitration Agreement document they signed at the time of enrollment to the AAA.

We agree that neither we nor anyone else who later becomes a party to this pre-dispute arbitration agreement will use it to stop you from bringing a lawsuit concerning our acts or omissions regarding the making of the Federal Direct Loan or the provision by us of educational services for which the Federal Direct Loan was obtained. You may file a lawsuit for such a claim or you may be a member of a class action lawsuit for such a claim even if you do not file it. This provision does not apply to other claims. We agree that only the court is to decide whether a claim asserted in the lawsuit is a claim regarding the making of the Federal Direct Loan or the provision of educational services for which the loan was obtained. We make the proceeding agreement only to the extent required by a valid regulation issue by the U.S. Department of Education.

As consideration to fellow students, clients, and instructors, please notify the school if you are not returning from a lunch break.

- t. Non-compliance with school-determined safety and social distancing requirements.
- u. Violation of the Title IX Sexual Harassment Policy, Student Sexual Harassment Policy (Non-Title IX), or Student Sexual Assault, Domestic and Dating Violence Policy.

A student who, upon violation of a conduct policy or other egregious behavior or incident, may be placed on a status of Conduct Probation due to conduct unbecoming of a student at Milan. This status is an official warning that the student's conduct is in violation of Milan Student Rules, but does not merit, at this point, an expulsion or suspension.

A student on conduct probation is deemed "not in good standing" with Milan. If there is a finding of responsibility for subsequent violations of the student rules during this period of time, more severe sanctions may be administered including immediate termination. Student who are subjected to Conduct Violations face actions to be determined based on the severity of the issue at hand and documentation of such will remain in the permanent student file.

Milan may remove a student who has been accused of committing a Title IX sexual harassment violation from campus on an emergency basis, provided an individualized safety and risk analysis is completed and a determination is made that there is an immediate threat to the physical health or safety of any individual. Once the student is removed from campus, the school will provide the student with written notice and guidance on how to immediately challenge the decision.

CHEATING POLICY

Dishonesty includes, but is not limited to, cheating, plagiarism, knowingly assisting another student in cheating or plagiarism, or knowingly furnishing false or misleading information to the school's Instructors or administrative staff. Students shall not engage in any of the following activities:

- Give or receive advance information about quizzes, tests, or examinations;
- Assist another student in dishonest practices
- Present someone else's work or ideas as your own;
- Have another person do work which is then submitted as their own;
- Include another person's work as part of their work, without proper acknowledgement or documentation.

When a student is charged with cheating or plagiarism, and the instructor has proof to back up the charges, or a student admits to the charges when confronted, the instructor may handle the situation in the following ways:

1. Issue an oral warning or a written warning that will be put in the student's permanent academic file.
2. Issue the student an "F" or "O" on the assignment or test in question.
3. Issue the student an "F" for the entire class.
4. Refer the student to the school director for disciplinary action, which may include suspension or dismissal from the school.

TITLE IX SEXUAL HARASSMENT POLICY

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX Sexual Harassment is defined as conduct on the basis of sex that satisfies one or more of the following:

- unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity;
- an employee of the school conditioning the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct; or
- sexual assault, as defined in the Clery Act, or dating violence, domestic violence, or stalking as defined in Violence Against Women Act (VAWA).

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim), to the Title IX Coordinator at any time by mail, by telephone, or by e-mail. Students (active or potential) or Employees (active or potential) who feel they are a victim of sexual harassment should be directed to contact the Title IX Coordinator.

The Title IX Coordinator can be reached at:

Milan's obligations under Title IX are triggered upon having actual knowledge of alleged sexual harassment that occurred within its educational program or activity against a person in the United States. Milan may have obligations under Title IX even in absence of a formal complaint. Once these obligations are triggered, Milan will respond promptly and without deliberate indifference.

No employee of Milan may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this part, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part.

The presumption is that the person accused of being the perpetrator of conduct that could constitute sexual harassment conduct is not responsible for the alleged conduct until a determination is made at the end of the grievance process. This does not imply that the alleged conduct did not occur but rather ensures Milan staff do not take action against the alleged perpetrator as though the alleged conduct occurred prior to final determination. All Milan staff involved in the

Title IX process interact with both parties impartially throughout the grievance process without prejudice and without drawing inferences about credibility based on the person's role.

STUDENT SEXUAL HARASSMENT POLICY (NON-TITLE IX)

Policy Overview

It is the policy of Milan to ensure that students can learn in a safe and nondiscriminatory educational environment based on religious, racial, sexual harassment and violence. Milan strictly prohibits any form of religious, racial, sexual harassment and violence. It is a violation of college's policy for a student, faculty member, staff member, administrator, third party or other employee to harass a student, faculty member, administrator or other college personnel through conduct or communication of a sexual nature. It is a violation of college's policy for any student, faculty member, administrator, third party or other college personnel of Milan to inflict or threaten to inflict, or attempt to inflict sexual violence upon any student, faculty member, administrator, or other college personnel.

Definitions—Sexual Harassment

Non-Title IX Sexual Harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature that does not meet the requirements of Title IX sexual harassment when:

- submission to that conduct or communication is made a term or condition, either explicitly, of obtaining or retaining employment, or of obtaining an education; or
- submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment or education; or
- that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment or education, or creating an intimidating, hostile or offensive employment or education environment.

Non-Title IX sexual harassment may also include but is not limited to:

- unwelcome verbal harassment or abuse;
 - unwelcome pressure for sexual activity;
 - unwelcome, sexually motivated, or inappropriate patting, pinching or physical contact, other than necessary restraint of student(s) by faculty members, administrators, college law enforcement, or other college personnel to avoid physical harm to persons or property;
 - unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt threats concerning an individual's employment or educational status;
 - unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt promises of preferential treatment with regard to an individual's employment or education status; or
 - unwelcomed behavior or words directed at an individual because of gender.
- Of importance is to note that sexual harassment or violence does not have to occur between different genders. Same sex harassment and violence will be treated equally as sexual harassment or violence between same sex members.

Reporting

Any person who believes he or she has been the victim of sexual harassment or violence by a student, faculty member, administrator or other college personnel of Milan should report the occurrence to either the School Director or the Corporate Compliance Department. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; social isolation or manipulation; threats either directly or indirectly or any other activities that create a hostile environment at school that is sufficiently serious that it interferes with or limits a student's ability to participate in or benefit from the services, activities, or opportunities offered by a school.

Staff members who witness such acts will take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. Although no institution can guarantee employment, the Career Services faculty member at Milan Institute makes every effort to help ensure that each graduate is prepared to effectively compete in the job market as they pursue their new career.

COPYRIGHT INFRINGEMENT POLICY

Compliance with federal copyright law is expected of all students. "Copyright" is legal protection for creative intellectual works, which is broadly interpreted to cover just about any expression of an idea. Text (including email and web information), graphics, art, photographs, music, and software are examples of types of work protected by copyright. The creator of the work, or sometimes the person who hired the creator, is the initial copyright owner.

You may "use" all or part of a copyrighted work only if (a) you have the copyright owner's permission, or (b) you qualify for a legal exception (the most common exception is called "fair use"). "Use" of a work is defined for copyright purposes as copying, distributing, making derivative works, publicly displaying, or publicly performing the work.

Copying, distributing, downloading, and uploading information on the Internet may infringe the copyright for that information. Even an innocent, unintentional infringement violates the law. Violations of copyright law that occur on or

over the school's networks or other computer resources may create liability for the school as well as the computer user.

Students who violate Copyright Infringement Policy are subject to disciplinary action, including suspension and termination.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

ACADEMIC INFORMATION

PROGRAM MEASUREMENT

An academic year is equivalent to 900 clock hours and is a minimum of 26 weeks. Each program is defined by its individual academic requirements, which are listed in the course description section of this catalog.

LEARNING RESOURCES

Cosmetology students follow Today's Class e-curriculum, Esthetician students follow Milady's Standard Fundamentals for Estheticians, and Manicurist students follow Milady's Standard Nail Technology. A comprehensive library of references, periodicals, books, texts, and audio/video tapes are available to support the course of study and supplement the students' training. Students should avail themselves of the opportunity to use these materials.

FORMAT

The clock hour education is provided through a sequential set of learning steps which address specific tasks necessary for state board preparation, graduation, and job entry level skills. Clinic equipment, implements and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career oriented activities. The programs are presented through well-developed lesson plans, which reflect current educational methods. Subjects are presented by means of lecture, demonstration, and student participation. Audio-visual aids, guest speakers, field trips, and other related learning methods are used in the programs.

EQUIPMENT

All of Milan Institute of Cosmetology's students work with equipment applicable to the competencies required of their program such as; shampoo bowls and chairs, dryers, thermal hair straighteners, mannequins, manicure stations with chairs, facial chairs, various facial machines, manicure heater, paraffin wax heater, wax machine, pedicure tub and other equipment commonly found in salons and other locations where these services are performed. Classroom computers, LCD projector and screen and marker boards are also utilized.

EXPENDABLE SUPPLIES

The school furnishes all expendable supplies used by the student for training. No outside product is allowed on campus to work on clients, mannequins, or self.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress ("SAP") is a requirement for all Milan Institute of Cosmetology students. Students receiving funds under any Federal Title IV financial aid assistance programs must maintain satisfactory academic progress in order to continue eligibility for such funds. Progress is measured in terms of both attendance and course work. The SAP policy is provided to students prior to enrollment.

All students are evaluated for Satisfactory Academic Progress at the end of the first payment period or midpoint of the program or academic year, and at the end of the program or academic year. An academic year in a clock hour program is a minimum of 900 clock hours AND 26 weeks. A week is considered any seven-day period from Sunday through Saturday in which at least one schedule class day occurs.

Clock Hour Program

The student's academic progress is evaluated at the point the student is scheduled to complete the required clock hours for that payment period. Students must maintain (1) an accumulative grade point average of 2.0, and (2) an attendance rate of 67% of the scheduled hours. Students will be notified of all evaluation results.

To successfully complete a program, the student must complete 100% of the program requirements within no more than 150% of the program length, measured in scheduled hours.

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory progress until the next scheduled evaluation.

If a student is granted credit for previous training, the granted courses will not be assigned a letter grade but will be recorded with a grade of “pass,” which will not count towards the student’s grade point average calculation and will not affect the grade point average element of satisfactory academic progress. Transfer hours are included as completed hours for purposes of measuring rate of progress.

Transfer hours are accepted toward completion of a student’s program as both hours attempted and hours completed for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods for transfer students are based on actual contracted hours at the institution

Grading

To assess the qualitative measure of academic progress, students are assigned theory study and a minimum number of practical performances. Theory is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion ONLY when rated as satisfactory or better. If the skill does not meet satisfactory requirements, it is not counted and the skill must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures, performance standards established by the state licensing agency, and set forth in the practical skills evaluation criteria adopted by the school. Students must maintain a cumulative grade average of 70% and pass a FINAL academic and skill exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Non-credit Remedial Courses

Non-credit remedial courses have no effect upon the institution’s satisfactory academic progress standards as no such courses are offered.

Institutional Withdrawal

Withdrawing from the institution has no effect upon the student’s satisfactory academic progress.

The school uses a four –point scale to determine academic standing according to the following grading chart:

Letter Grade	Numerical Percentage	Description	Quality Points
A	90 – 100%	Outstanding	4.0
B	80 - 89%	Above Average	3.0
C	70 – 79%	Average	2.0
D	60 – 69%	Below Average	1.0
Grad	N/A	Grad	N/A

Grad (Grad): A student who meets the requirements for graduation from that program will receive a grad grade (Grad) for the final grade of the program.

CONSEQUENCES OF FAILURE TO MEET SATISFACTORY ACADEMIC PROGRESS STANDARDS

Financial Aid Warning (FA Warning) – Students who fail to meet minimum requirements for completion or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

Financial Aid Probation (FA Probation) – Students who fail to meet minimum requirements for completion rate or academic progress after the warning period will be notified of their termination of eligibility for Federal Student Aid funds. If the student files an appeal of academic progress and prevails, they will be placed on probation and considered to be

making satisfactory academic progress during the probationary period. Students on financial aid probation remain eligible for Federal Student Aid funds. Students must be placed on an academic plan and must be able to meet requirements set forth in the academic plan by the end of the probationary evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

Financial Aid/Title IV Implications

Students deemed not maintaining Satisfactory Academic Progress may have their Financial Aid/Title IV Funding interrupted, unless the student is on Warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Failed FA Probation and Have Not Exceeded 150% of the Program Length - Students who fail probation will lose their eligibility for Federal Student Aid for the program in which they are enrolled. Within 5 business days the Campus Director will counsel the student and complete a "FA Ineligible Letter" to determine if student will continue their program on a cash payment plan or be dropped from the program. A signed copy must be emailed to Virtual Registrar group. A cash payment plan will need to be in place within 5 business days from the original notification of FA Ineligible status notification. If not received by the timeline outlined above, the Virtual Registrar will email a notification to the Executive Team for final decision to allow an extension or proceed with dropping immediately.

Exceeding 150% of the Program Length - Students who exceed 150% of the program length will lose their eligibility for Federal Student Aid for the program in which they are enrolled and will be withdrawn from the program. Students who choose to continue on a cash payment plan must petition to be allowed to re-enter and complete their program. Within 5 business days of exceeding 150% of the program length, the student will be withdrawn by the Registrar and the Campus Director will counsel the student. If the student wants to continue in the program on a cash payment plan, the student must complete a Petition for Re-Entry – Cash Pay form and a signed copy must be emailed to the Virtual Registrar group. A cash payment plan will need to be in place before the Petition form can be approved. As there is additional processing that must be completed, the time between the receipt of the signed Petition form and the student being allowed to return to school may be from two to four weeks.

Maximum Timeframe (MTF) – For a program measured in credits, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured in credits. MTF includes all hours attempted, which include successfully completed credits, transfer credits, withdrawals, and repeated classes.

For a program measured in clock hours, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured by the number of scheduled clock hours the student is required to complete and expressed in calendar time.

Re-Establishing SAP and/or Financial Aid Eligibility

Students may re-establish SAP and Financial Aid Eligibility, as applicable, by meeting minimum attendance and academic requirements by the end of the evaluation period.

Quantitative Evaluation - Students are required to complete a minimum of 66.67% of the scheduled clock hours or financial aid credits required based on the applicable program requirements to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The completion percentage is determined by dividing the total clock hours or financial aid credits attended/earned by the total number of clock hours or financial aid credits scheduled in the evaluation period. At the end of each evaluation period, Milan will determine if the student has maintained at least 66.67% cumulative completion rate which indicates that, given the same progression rate, the student will graduate within the maximum time frame [150%] allowed. Transfer clock hours or financial aid credits and those for which a student received a grade of "W," "I" or "R" will also be included in the Quantitative Evaluation.

Qualitative Evaluation - The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned theory study and a minimum number of skill assignments as required for course completion. Academic progression is evaluated after each unit of study. Students must maintain an academic grade average of 2.0 or 70% and pass a final academic and skill exam prior to graduation. Students must make up failed or missed tests and/or courses. Grades for Transfer clock hours or financial aid credits and Withdrawal (W), Withdrawal Cancel (WC), Incomplete (INC) will not count towards Qualitative Evaluation. For Repeat classes, the latest grade will be included in the Qualitative Evaluation.

Evaluation Periods - Milan shall evaluate academic progress for all students at regular intervals (i.e., end of each payment period, academic year, or program completion). Evaluations must be performed when a student reaches the scheduled hours of a payment period. Students are notified of all evaluation results. Below are the evaluation periods by program:

Appeal Procedure

A student who loses aid eligibility due to failure to maintain satisfactory academic progress may appeal the status. The student must submit a written appeal of the dismissal within one week of the date the school took action. The appeal should be addressed to the School Director. The reasons for which a student may appeal include death of a relative, an injury or illness of the student, death in the family, etc. Supporting documentation must accompany the written appeal. For example, an appeal based on illness of the student should include applicable medical documentation. After successful appeal, with an academic plan, the student will be placed on SAP Probation for the following evaluation/payment period. The student must be at satisfactory academic progress at the end of the probationary period or financial aid eligibility will be terminated.

The student's appeal must address the following:

- The basis for the appeal – description of the special circumstances and,
- The reason why the student failed to meet the SAP standard(s) and,
- What has changed in the student's situation so that he or she will now be able to meet SAP standards.

Students are allowed one appeal to remain eligible for financial aid in an academic program.

Leave of Absence / Temporary Interruptions – For students returning from an approved leave of absence, their contract period and maximum time frame will be extended by the same number of days taken in the leave of absence. Reasonable provisions will be provided for LOAs or other temporary interruptions, such as academic advising or review of material when resuming training.

SAP Re-Entry - Students who have violated FA Probation and have been dismissed shall not be eligible for financial aid in the same program of study. Students may have the opportunity to return in a different program of study and be eligible for financial aid with an additional Satisfactory Academic Progress appeal.

Re-enrollment/Re-entrance

Re-enrollment or re-entrance will be approved only after evidence is shown to the director's satisfaction that conditions which caused the interruption or unsatisfactory progress have been corrected. Re-entering students return to the institution in the same progress status as when they left.

LEAVE OF ABSENCE POLICY

Milan Institute of Cosmetology permits students to request a leave of absence (LOA) as long as the leave does not exceed a total of 180 days during any 12-month period, starting from the first day of the first leave, that there is a reasonable expectation that the student will return, and as long as there are documented, legitimate extenuating circumstances that require the students to interrupt their education, including pregnancy (including childbirth, false pregnancy, termination of pregnancy, and recovery therefrom), temporary disability, medical reasons, or other reasons such that the campus determines that an LOA is in the student's best interest. A student may take multiple leaves of absence as long as the total leaves of absence do not exceed 180 days during any 12-month period.

However, an LOA will not be granted for any of the following reasons:

- The courses that the student needs are not available;
- The courses that the student needs are available, but the student declines to take them;
- An externship/internship site is not available for the student;
- A student is unable to pay tuition;
- The student is failing a course(s); or
- To delay the return of unearned federal funds.

Students requesting an LOA must submit a signed and completed Leave of Absence Request Form prior to the beginning date of the leave. If circumstances of an unusual nature that are not likely to recur prevent the student from submitting the request in advance, the leave may still be granted, but only if:

- The school documents the unforeseen circumstances and the Education Leader, Dean or Director determines that these circumstances meet the exception requirements (i.e., "of an unusual nature and not likely to recur"), for example, if a student were injured in a car accident and needed a few weeks to recover before returning to the

institution, the student would not have been able to request the LOA in advance, and

- The student submits a signed and completed Leave of Absence Request Form. The beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.

Students granted an LOA that meets these criteria are not considered to have withdrawn, and no refund calculation is required at that time.

Re-Admission Following a Leave of Absence

- Upon return from leave, the student will be required to repeat the modules or class, if it had been interrupted, and receive final grades.
- The student will not be charged any fee for the repeat of any module or class from which the student took leave or for students returning from a leave of absence.
- The date the student returns to class is normally scheduled for the beginning of a class or module.
- When a student is enrolled in a modular program, the student may return at any appropriate module, not only the module from which the student withdrew.

A student's contract period will be extended by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

Extension of Leave of Absence

A student on an approved LOA may submit a request to extend the LOA without returning to class. Such a request may be approved by the Dean, Education Leader or Director provided:

- The student submits a completed LOA Extension Request Form before the end date of the current leave.
- There is a reasonable expectation the student will return.
- The number of days in the leave as extended, when added to all other approved leaves, does not exceed 180 calendar days in any twelve (12) month period calculated from the first day of the student's first leave.
- Appropriate modules or classes required for completion of the program will be available to the student on the date of return. If the extension request is approved, the end date of the student's current leave will be changed in the official student information system to reflect the new end date. If the request is denied, the student will be withdrawn and the withdrawal date will be the student's last date of attendance (LDA).

Return from a Leave of Absence

A student must return from a LOA on or prior to the scheduled date of return. Students in modular based programs may return prior to the scheduled return date as long as they return on the first day of any appropriate module.

Failure to Return from a Leave of Absence

If the student takes an unapproved LOA or does not return from LOA as defined above, the student will be withdrawn. The withdrawal date will be the student's last day of attendance (LDA) for purposes of calculating a refund. A Title IV refund calculation will be completed using the last date of attendance prior to the start of the LOA.

Possible Effects of Leave of Absence

Students who are contemplating an LOA should be cautioned that one or more of the following factors may affect the length of time it will take the student to graduate.

- Students returning from a LOA are not guaranteed that the module or class required to maintain the normal progress in their training program will be available at the time of reentry
- They may have to wait for the appropriate module to be offered
- Financial aid may be affected
- The LOA could also affect the student's:
 - Loan repayment terms, including the exhaustion of some or all of the student's grace period
 - Rate of progress

- o Maximum time frame for completion

ATTENDANCE POLICY

Attendance is valued and expected. Students are expected to arrive for classes at the scheduled time and remain on task until their scheduled departure time. Student performance and punctuality are important components of dependability and directly relate to employment options in the business world. To ensure the commitment to student success, Milan expects that attendance be taken in all classes, starting with the first day of the class.

Milan recognizes the correlation between attendance within the program of study and success defined as student achievement. Absences prevent students from receiving essential academic information, disrupt orderly course progress, and diminish the quality of group interaction in class. Any class session or activity missed, regardless of cause, reduces the opportunity for learning and may adversely affect a student's achievement in the course. Class attendance is monitored beginning with the first class meeting, and students are expected to attend all class sessions for which they are scheduled. It is the responsibility of the student to arrange to make up of any course work missed and to notify the instructor when an absence will occur. Milan Institute of Cosmetology does not differentiate between excused and unexcused absences. Students are expected to call in if absent, for courtesy and responsibility, as if they were in the work environment.

ACADEMIC AND ATTENDANCE ADVISING POLICY

Any students falling below Satisfactory Academic Progress (SAP) at mid-point and end of contracted program will be advised of their academic and attendance standing by a designated school official. Students who are not meeting minimum expectations will be provided SAP notification and an Academic Plan to provide guidance on improving standing to achieve completion. The student portal is available to all students to check standing as needed. Instructors encourage students to utilize their portal. See SAP policy for additional information

Student's strengths and areas requiring improvement are identified and plans for improvement are discussed during the advising to provide a student the opportunity to achieve expectations. When professional assistance is needed students are provided contact information for those community resources (also posted on the Student Intranet page). Documentation will be signed by both the school official and the student. The signed documentation will be retained in the student's official academic file located in the Student Information System.

MAKE-UP WORK

The school establishes well defined practical and theory course requirements for graduation. Due to the fact that the course is taught to adult students who have many other life responsibilities and who cannot attend class 100% of the scheduled time in most cases, the school has set forth a reasonable policy for making up missed tests or failed tests by re-taking tests to achieve a satisfactory score. Students must pass exams at 75% or higher to be eligible for completion.

Students who have failed or missed an exam, are encouraged to make up the exam as soon as possible during the designated make up exam session facilitated by a campus education official. Students must complete an outline of the chapter or similar assignment prior to making up the test to ensure the student has reviewed the chapter. All tests are similar to State Board format – no notes or open book allowed. Students will take the makeup test in a designated classroom or office with an education official proctoring the exam.

GRADUATION REQUIREMENTS

Upon successful completion of the program students may be eligible to sit for the State licensing exam. Students in all programs must complete all subjects outlined in their designated program with no grade under 75% in any subject to be eligible for graduation. All students are required to pass the school's final examination with a grade of not less than 75% on both practical and written exams prior to graduation. Students who are in good standing with their financial obligations to the school will receive their Certificate of Completion and transcript.

VERIFICATION OF ATTENDANCE/TRANSCRIPTS

Graduates requiring official verification of attendance or transcripts to be sent to other educational institutions must

submit such a request in writing. Allow 30 days for the verification of attendance or the transcript to be sent.

A complete academic transcript and certificate of completion will not be sent if a student has not met his/her financial obligations with Milan Institute.
