

# Discover a Beautiful Career

Imagine having a job helping others feel great about the way they look. Careers in skin care reach much deeper than outward beauty. Because it covers the entire body, skin has much to do with outward physical beauty. For those who suffer from skin conditions or simply want to enhance their appearance, skin is often a primary concern.

## Aesthetician/Esthetician

Professionals in the esthetics field serve important and meaningful roles, helping bring out the beauty in others so that they can feel better about themselves. In that sense, you'll be helping to create transformations in people's lives. Using the latest techniques and products in the esthetics profession, Milan Institute can help you become an important asset to this exciting and growing industry.

# Why Milan Institute?

## Career Services Assistance

Once your education is complete, you can benefit from our job placement assistance. The Career Services department at each Milan Institute campus offers community resources, professional development, resume development and job placement assistance for graduates.

## Experienced & Qualified

Our instructors are professionals in their respective fields bringing current industry insight right to the classroom. Our instructors bring the relevant, on-the-job experience you can't get in any textbook.

## Financial Aid

Because we are nationally accredited, we are authorized to offer various financial aid programs for those who qualify. An education finance advisor will walk you through the process and explain your options.

## Nationally Accredited

Milan Institute and Milan Institute of Cosmetology are nationally accredited
