# **ADMISSIONS INFORMATION**

## **ADMISSIONS POLICY**

Admission into the school's **Advanced Cosmetology, Advanced Esthetician, Barbering, Cosmetology, Esthetician, and Manicurist** programs requires that the prospective student have a high school diploma or have a High School Equivalency Diploma (HSED). Documents from HiSET and TASC are acceptable as High School equivalents but must be reviewed and approved by Senior Director of Admissions.

Admission into the school's programs requires the applicant to present a copy of the HS diploma, HSED certificate, or transcripts showing high school completion.

Additionally, Milan Institute accepts the following as proof of eligibility:

- Passing a U. S. Department of Education approved Ability to Benefit Test (ATB). Please see the Ability to Benefit (ATB) Admissions Policies for further information.
- Enroll in the Eligible Career Pathway Program (ECPP).

Admission into the school's programs requires the applicant to present a copy of the HS diploma, HSED certificate, or transcripts showing high school completion or show successful enrollment in the ECPP.

Admission procedures include individual advising, explanation of course descriptions, appointment with financial aid, enrollment, a tour of the campus, and orientation to the school regarding the policies, regulations, and requirements for the various classes.

Upon acceptance and before entering classes, the applicant must complete an enrollment agreement. Students under the age of 18 must have a parent or guardian sign the enrollment agreement. The enrollment agreement and the catalog detail the student's and the school's obligations. The final decision to admit an applicant rests with the school's administration.

Prospective **Advanced Cosmetology, Advanced Esthetician, Barbering, Cosmetology, Esthetician, and Manicurist Program** students must be beyond the age of compulsory school attendance and must be 17 years old upon completion of their program.

Re-enrollment or re-entrance will be approved only after evidence is shown to the School Director's satisfaction that conditions which caused the interruption or unsatisfactory progress have been corrected. Re-entering students return to the institution in the same progress status as when they left.

## **ECPP ENROLLMENT PROCESS**

The ECPP allows Ability to Benefit (ATB) Students to concurrently enroll in an Adult Education school, which may lead to a High School Diploma (or equivalent), and a post-Secondary school offering Career Pathway Programs.

Before enrollment, a prospective ATB student who is not a high school graduate or has not passed the GED and is seeking admission into an ATB eligible program must take and pass an independently administered, nationally standardized test recognized and approved by the United States Department of Education (DOE) that measures basic skills in reading and arithmetic.

Students who pass the ATB and enroll in an ECPP, must follow all the policies and procedures in this catalog.

- Cosmetology
- Esthetician
- Manicurist

## **ELIGIBLE CAREER PATHWAY PROGRAM (ECPP)**

Students enrolled in an ECPP will be concurrently enrolled in one of the college's qualified vocational training programs and the Adult Education Program offered through C4L Academy. The goal is for the student to be able to work towards earning an Adult Education high school diploma while being able to work towards completing a Milan Institute vocational training program concurrently. The Adult Education program is offered by an approved adult education service provider (C4L Academy) and not by Milan Institute.

The student is required to attend the Adult Education Program classes and is expected to participate in those classes. The Adult Education Program is offered remotely online. The ECPP Coordinator will monitor participation and partner with Education to meet with the student as needed to provide academic advising. See specific details below under ECPP Participation Requirements & ECPP Withdrawal.

Milan Institute does not guarantee ECPP students will receive a high school diploma (or its equivalent), earn any industry certifications that are part of their Vocational Program, or graduate from Milan Institute.

Completing the vocational component of the program is not a condition for receiving a high school diploma.

## **ECPP PARTICIPATION REQUIREMENTS & CONCURRENT DISMISSAL**

If a student does not log in to the C4L Academy portal to create a student account within 72 hours of enrolling with C4L, the student will automatically be canceled from the ECPP and Milan Institute's Vocational Program.

ECPP students who fail to participate in either the Adult Education or Vocational component of their ECPP program for 14 consecutive calendar days will be dismissed from their ECPP. Participation in the Adult Education Program is defined as completing any educational activity – where participation in the Vocational program is defined by Milan Institute's Satisfactory Academic Progress (SAP) and Attendance policies.

On the 14<sup>th</sup> consecutive calendar day missed, the student will be withdrawn from the Milan Institute.

During the program, if a student does not log into the Adult Education component for 7 consecutive calendar days, the student will be issued a documented ECPP participation advisement.

If a student fails to meet the college's Satisfactory Academic Progress Policies, they will be withdrawn from Milan Institute.

**Dismissal from the Adult Education component of the ECPP for any reason shall result in dismissal from the Vocational component of the program.**

**ECPP Withdrawal:** Upon withdrawal, the student will be held to the same catalog-defined refund policy as non-ECPP participating students.

**Receiving the earned High School Diploma:** Although Milan Institute has designed ECPP requirements to promote the completion of the Adult Education component and a Milan Institute Vocational Program, the college does not guarantee that the student will receive a high school diploma or its equivalent.

Completing the ECPP program's vocational component is not required to earn a high school diploma. Upon successful completion of the program's adult education component, the student may request a copy of their transcript directly from the adult education vendor.

#### **ECPP RE-ADMISSION AND LEAVE OF ABSENCE (LOA)**

Withdrawn ECPP students wishing to re-enroll are subject to Milan Institute's Re-Admission Policy in addition to an interview to evaluate the student's ability to continue the Adult Education component of the ECPP.

Active ECPP students who take a Leave of Absence (LOA) from Milan Institute's Vocational Program can still participate in the Adult Education component of the ECPP remotely if they can; however, if the student is unable to participate in the Adult Education component while on a Leave of Absence (LOA) they will be expected to continue participation when they return to Milan Institute from their LOA.

Inactivity in the adult education component during an approved LOA or scheduled calendar breaks will not cause the student to be withdrawn from the college.

#### **ECPP ADULT EDUCATION COMPUTER LAB**

Milan Institute provides ECPP Students with an on-campus space with Wi-Fi and printer access to work through their Adult Education curriculum if they prefer to use our facility. The availability of this space is determined by campus operating hours.

The ECPP Adult Education component is offered online by an approved service provider and is self-directed. Students may work on the Adult Education curriculum off-campus via the internet.

Transfer of Credit Administration Policy – *All Programs*

If a student is granted credit for previous training or experiential training, the relevant courses will not be assigned a letter grade but will be recorded with a grade of “pass,” which will not affect the student’s grade point average and will not affect this element of satisfactory progress.

At the discretion of the Dean of Education, a student may be granted credit for previous training or experience and still be required to repeat a course in order to comply with the school’s regular attendance and satisfactory progress policies. In this instance, the student will not be charged tuition for the transferred course. The maximum time frame of one and one-half times the course length is unaffected by transfer of credit.

Milan Institute will accept a maximum of 75% of the program credits or hours in transfer from another institution. Students requesting credit for previous coursework or experience are asked to notify their admissions representative during the enrollment process. The request will be forwarded to the Education Leader or Director, who will review documentation or arrange for testing as appropriate. The procedure will be completed prior to the student’s first start date. There are no fees charged for evaluating or granting transfer of credit. Once a determination for granting credit has been made, tuition and fees will be adjusted prior to the start of class. Each student will need to meet with financial aid to determine eligibility. A negative determination may be appealed by contacting the School Director, whose decision is final.

Milan Institute will accept experiential training for modular programs (non-cosmetology related programs). Applicants should inform their Admissions Representative of any potential experiential learning/training during the enrollment process. Milan staff will review any provided experiential training as it would apply to the course content. If the prior experience matches the course content, the student will take the applicable course assessments (technical and academic as applicable) to determine if they have retained at least 70% of the course content. If an applicant disagrees with the evaluation of their experiential training, the applicant may submit a written letter to the Director of Education within 5 days of the outcome of the evaluation explaining why the evaluation should be re-evaluated. Milan does not charge students to evaluate their prior education or experiential training.

#### **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at Milan Institute is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Milan Institute to determine if your credits or certificate will transfer.

When requested Milan Institute will provide a student transcript and course outline to assist in the transfer process.

Milan Institute has not entered into any articulation of training agreements with other educational entities.

#### **STUDENTS WHO TRANSFER BETWEEN PROGRAMS**

Students may transfer to different programs within the institution. Credits will be evaluated by the Dean of Education or Campus Director and applied towards the new program, if applicable. To be eligible for

transfer credit or hours, student must have successfully completed the class with a minimum grade of "C". If a student has completed or withdrawn from Milan Institute and wishes to enroll into a new program, the student will be treated as a new enrollment.

## **FINANCIAL INFORMATION**

### **PROGRAM HOUR MEASURMENT**

For academic purposes, the institution follows the Carnegie clock-to-quarter credit hour conversion. For lecture, one quarter credit is equal to 10 clock hours, for laboratory, one quarter credit is equal to 20 clock hours, and for externship/internship, one quarter credit is equal to 30 clock hours. Each program is defined by its individual academic requirements, which are listed on the program description section of this catalog.

For Title IV Financial Aid purposes, an academic year is equivalent to 36 quarter credits and a minimum of 30 weeks or 900 clock hours and a minimum of 26 weeks. The institution complies with Federal requirements when determining the funding methodology and applicable credits. In some cases, the academic credits awarded may be different than those used for Federal funding purposes. A quarter credit hour for Federal Aid purposes is an amount of work that reasonably approximates to one hour of classroom direct faculty instruction and a minimum of two hours of out of class work for approximately ten to twelve weeks or equivalent of other academic activities. Milan Institute programs or courses which do not lead to a degree that are funded by quarter credits must be funded by clock-to-credit hour conversion. In this case one quarter credit equals 25 clock hours which may include lecture, laboratory, externship/internship and/or work outside of class when approved by applicable accreditation. In some cases, programs are required to be measured in clock hours for federal financial aid purposes which include: 1) when the program is required to measure student progress in clock hours when receiving federal or state approval or licensure to offer the program; and/or 2) completing clock hours is a requirement for graduates to apply for licensure or the authorization to practice the occupation that the student is intending to pursue. For program specifics, please contact the Financial Aid office.

### **TUITION POLICY**

All tuition payment arrangements, including Financial Aid (FA), Cash, and Payment Plans, must be finalized before the student begins classes. Failure to complete these arrangements may result in the student being unable to attend classes. It is the student's responsibility to ensure that all necessary payments and documentation are submitted and approved in a timely manner.

The school accepts payments in cash, check, MasterCard, and Visa. Prices are subject to change.

Books, materials, and supplies are provided at no charge to the student, unless otherwise indicated. For any materials that are an additional charge, the student may choose to opt-out on the Enrollment Agreement.

### **DELINQUENT TUITION**

The student may be charged a \$10.00 late fee for payments received 10 days after the due date. Any student who is delinquent in payments to the school may be suspended or terminated from school, at the discretion of the administration, until the school receives payment, or the student makes written payment arrangements acceptable to the school. If an amount is due, a payment schedule is arranged. If a student does not follow the payment guidelines, after 90 days his/her account will be turned over to the Corporation's collection agency. The student will be responsible for all costs associated with collection.

### **SCHOLARSHIPS AND GRANTS**

#### **Alumni Scholarship**

Alumni from Milan Institute are eligible for a \$2000 tuition scholarship upon enrolling in a subsequent program with a minimum of 600 hours. A \$1000 tuition scholarship is available for Alumni who enroll in a program less than 600 hours. The scholarship is only available once for Alumni and is considered a discount towards tuition.

#### **Follow Your Dreams Scholarship**

Discounts may not be combined, and students will receive only the best available discount, for which they qualify

## **METHODS OF DISBURSEMENT**

All Federal financial assistance awarded by the school is disbursed according to Federal regulations.

## **FINANCIAL AID**

Student Financial Aid is assistance which helps pay the cost of education. Funds included in this aid may be provided from several sources, including federal, state, and private agencies. Most financial aid recipients receive a combination "package" comprised of more than one type of assistance program.

### **How To Apply**

To begin the process of applying for most aid programs, including grants and loans, students must first complete the Free Application for Federal Student Aid (FAFSA). This document is considered the primary resource for establishing eligibility for need-based aid at this institution. Grant aid is money that does not have to be repaid. Loan assistance includes borrowed money that will be repaid by the applicant.

### **Financial Aid Programs**

The school participates in Title IV Federal Financial Assistance programs under authorization of the U.S. Department of Education, Office of Student Financial Assistance. Any student interested in obtaining Federal Aid should visit or call the financial aid office and request a Student Financial Aid Guide or visit [www.studentaid.ed.gov](http://www.studentaid.ed.gov) to view online federal assistance publications. All consumer information that is required to be disclosed pursuant to applicable financial aid programs is provided.

Title IV assistance may include grant aid from the Federal PELL Program and/or self-help aid in the form of Direct Loans. Federal Student Loans are required by law to provide a range of flexible repayment options, including but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide. Federal Direct Loans are available to students regardless of income.

Some applicants may be selected for a process called verification. Initial notification is provided through the Student Aid Report created in response to the Free Application for Federal Student Aid (FAFSA). The verification selection may cover one or more aspects of your FAFSA information; including but not limited to, tax data, number in household, SNAP benefits, child support paid, high school completion, and identity. Be aware there are deadlines and consequences associated with this requirement. You should contact the campus Financial Aid Office for additional information and assistance, should your file be selected for verification.

### **Other Programs**

Tuition Options payment arrangements are considered a private loan with a fixed interest rate based on the plan you have selected. This program does not determine interest based on the borrower's credit rating.

Students have the right to research and secure additional loan options. Private loans can offer variable rates that can increase or decrease over time, depending on market conditions. Students should determine the interest rate and associated fees of a private loan prior to accepting the terms of the loan. In some cases, the interest rate on a Private Loan may depend on the borrower's credit rating. Students should contact the lender of the private student loan or the campus Financial Aid Office with any questions or concerns regarding student loan debt.

The information provided above and in referenced materials is not a guarantee of financial assistance. Individual need and circumstance must be evaluated to determine aid program eligibility. This need will be determined with and comply by all applicable federal, state and accreditation regulations.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest and fees, less the amount of any refund

### **STUDENT'S RIGHT TO CANCEL (Cancellation Policy)**

#### **Cancellation Policy – All Programs other than Cosmetology and Barbering**

Milan Institute advises each student that a notice of cancellation shall be in writing and that Milan Institute shall refund 100 percent of the amount paid for institutional charges if the notice of cancellation is made through attendance within 7 days after the first scheduled class session. The enrollment agreement shall be signed by the student and by an authorized employee of the institution. If an applicant accepted by Milan Institute cancels prior to the start of scheduled classes or never attends class (no-show), the institution must refund all monies paid.

#### **Cancellation Policy –Cosmetology and Barber programs only**

Milan Institute advises each student that a notice of cancellation shall be in writing and that Milan Institute shall refund 100 percent of the amount paid for tuition, fees, and supplies, if the notice of cancellation is made through attendance within 14 days after the first scheduled class session. The enrollment agreement shall be signed by the student and by an authorized employee of the institution. If an applicant accepted by Milan Institute cancels prior to the start of scheduled classes or never attends class (no-show), the institution must refund all monies paid.

The cancellation policy applies to a maximum of two enrollments per student.

### **REFUND POLICY**

Institutions are required to apply State, Licensing and/or Accreditation refund policies as applicable to the location and program attended. If more than one set of regulations applies, the calculation that best benefits the student will be the refund policy adopted.

The student has the right to withdraw from a course of instruction at any time. Students should submit a withdrawal request in writing to the Campus Director and Registrar. The student is obligated to pay only for educational services rendered and for unreturned equipment. If the student withdraws from a program of instruction after the period allowed for cancellation of the agreement, as listed above in "Cancellation of Agreement," the school will remit a refund within 45 days following the student's withdrawal whether officially or unofficially.

A "fair and equitable refund" will be computed based on scheduled hours of class attendance through the last date of attendance. Leaves of absence and school holidays will not be counted as part of the scheduled class attendance.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

#### **Refunds Shall Be Calculated as Follows:**

A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the California Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student and is to be paid within 45 days of the determination of withdrawal.

- Milan Institute is an institution that participates in the federal student financial aid programs, and as required, Milan Institute shall provide a determination of tuition charges based on a pro rata refund of tuition based upon the students' progress in their program of study up to point where the student who have completed 60 percent of the total charges for the current period of attendance.

- The amount owed equals the daily charge for the program (*total institutional charge, divided by the number of days or hours in the program*), multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal.
- For purposes of determining a refund under this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.
- If the student obtains equipment, as specified in the agreement as a separate charge, and returns it in good condition (equipment seal cannot be broken, log-on occurred, or is marked or damaged in any way) within 45 days following the date of your withdrawal, Milan Institute shall refund the charge for the equipment paid by the student.
- If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within this 45-day period, Milan Institute may offset against the refund of the documented cost to the school of the equipment.
- The student shall be liable for the amount, if any, by which the documented cost of the equipment exceeds the pro-rated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount Milan Institute has charged in the contract.
- For a list of these charges, see the Enrollment Agreement Addenda. If the amount that the student has paid is more than the amount that is owed for the time of attendance, and then a refund will be made within 45 days after the date of withdrawal.

Milan Institute shall also provide a pro rata refund of non-federal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Milan Institute shall also maintain a cancellation and withdrawal log, kept current on a monthly basis, which shall include the names, addresses, telephone numbers, and dates of cancellation or withdrawal of all students who have cancelled the enrollment agreement with, or withdrawn from, the institution during the calendar year.

#### **Refund Policy for Programs Obligating Students for Periods Beyond Twelve Months**

Programs longer than 12 months that financially obligate the student for any period of time beyond 12 months shall release the student of the obligation to pay beyond the 12 months if the student withdraws during the first 12 months. The calculation of the refund for the unused portion of the first 12 months shall be based on the rules above. If the student withdraws during any subsequent period following the first 12 months, the student's refund for the unused portion of the tuition applicable to the period of withdrawal shall be based on the rules above.

#### **RETURN TO TITLE IV CALCULATION (R2T4)**

When a student withdraws from a program, a campus is required to determine the earned and unearned portions of Title IV aid. The determination is based on the amount of time the student spent in attendance or, in the case of a clock-hour program, was scheduled to be in attendance.

Up through the 60% point in each payment period or period of enrollment, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal.

After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

For a student who withdraws after the 60% point-in-time, there are no unearned funds.

If the amount that the student has paid is more than the amount that the student owes for the time he/she has attended, then a refund will be made within 45 days. If a student who has received Title IV, HEA program assistance is owed a refund, the school will allocate the refund in the following order: Federal

Direct Loan Program, Federal Parent Loan for Undergraduate Study (PLUS), Federal Pell Grant, any other Title IV Assistance, to student. If there is a balance due, the student is responsible for paying it.

### **WITHDRAWAL DATE**

Withdrawal: Is the termination of an enrolled student prior to successful completion of a program. Classifications of withdrawals include but are not limited to a drop, dismissal, and out-of-school transfer.

A student may officially withdraw by providing notification either orally or in writing to any school official. For purposes of an unofficial withdrawal and the date of determination for tuition refund and Return to Title IV purposes, the determination of withdrawal can be no more than 14 consecutive calendar days from the last date of attendance, except in those cases when a student fails to return from a scheduled leave.

Milan Institute is an institution that is required to take attendance, and, as such, is expected to have a procedure for routinely monitoring attendance of its students to determine, in a timely manner, when a student ceases to be enrolled and attending. Milan Institute states that the date of determination that the student withdrew is no later than 14 days after the student's last date of attendance as determined by its attendance records.

### **TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS**

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq, and Afghanistan Service Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs) and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula.

If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive.

Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all the funds that you earned, you may be due a post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must receive your permission before it can disburse them. You may choose to decline some or all the loan funds so that you don't incur additional debt.

Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school must receive your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt to the school.

There are some Title IV funds that you may have been scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time,

first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled beyond the 30<sup>th</sup> day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. In addition, you may have exhausted all or a portion of your grace period and repayment of Direct Student Loans may begin immediately.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at [www.studentaid.ed.gov](http://www.studentaid.ed.gov)

### **SCHOOL CLOSURE POLICY**

If a program or course is cancelled subsequent to a student's enrollment, and before instruction in the program has begun, the school shall provide a full refund of all monies paid.

If the school closes permanently and ceases to offer instruction after students have enrolled, or if a program is cancelled after students have enrolled or instruction has begun, the school will provide a pro rata refund for all students transferring to another school, as approved by the Bureau of Private Postsecondary Education, based on the hours accepted by the receiving school or if a student does not transfer to another school a full refund of all monies paid.

### **STUDENT TUITION RECOVERY FUND DISCLOSURES (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you

are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. All STRF Fees are nonrefundable.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## **STUDENT CODE OF CONDUCT**

The school sets forth specific expectations for the purpose of promoting a positive learning environment and a pathway to career success. Developing efficient work habits, a positive attitude and definite goals during training can only enhance the graduate's potential for success.

### **Students are expected to:**

1. Attend all classes according to the assigned schedule including theory classes even if all required tests are completed. Theory class is a critical part of your training.

3. Complete all assigned theory, practical and clinic assignments in the designated time frames. It is the student's responsibility to contact the instructor regarding makeup exams. The Final Transcript of Hours will not be released to the student or State Board until all graduation requirements have been met and a comprehensive final written and practical exam has been passed.
4. Notify a staff member within one (1) hour of your start time of absenteeism or tardiness so that proper arrangements can be made to service clients that may be scheduled.
5. Notify a staff member when leaving the facility for any reason other than lunch time and closing.
6. Only perform services on clients after successfully completing the Phase One Requirements and have passed a written and practical competency evaluation.
7. Practice courtesy and professionalism at all times when dealing with other students, clients, instructors, staff and visitors.
8. Follow all state laws and regulations at all times during school.
9. Comply with the school's Satisfactory Academic Progress Policy at all times. Failure to maintain satisfactory progress may cause loss of or delays in funding, delay in graduation and additional tuition charges.
10. Park only in the designated areas for student parking. Front row parking is ALWAYS reserved for client use. The school does provide parking for its students.
11. Keep all student and client analysis and service records up to date.

13. Strive to continually improve abilities through education and practice.
14. Adhere to school-determined safety and social distancing requirements.

## **GROUNDS FOR DISCIPLINARY ACTION**

As consideration to fellow students, clients, and instructors, please notify the school if you are not returning from a lunch break.

- u. Violation of the Title IX Sexual Harassment Policy, Student Sexual Harassment Policy (Non-

A student who, upon violation of a conduct policy or other egregious behavior or incident, may be placed on a status of Conduct Probation due to conduct unbecoming of a student at Milan. This status is an official warning that the student's conduct is in violation of Milan Student Rules, but does not merit, at this point, an expulsion or suspension.

A student on conduct probation is deemed "not in good standing" with Milan. If there is a finding of responsibility for subsequent violations of the student rules during this period of time, more severe sanctions may be administered including immediate termination. Student who are subjected to Conduct Violations face actions to be determined based on the severity of the issue at hand and documentation of such will remain in the permanent student file.

Milan may remove a student who has been accused of committing a Title IX sexual harassment violation from campus on an emergency basis, provided an individualized safety and risk analysis is completed and a determination is made that there is an immediate threat to the physical health or safety of any individual. Once the student is removed from campus, the school will provide the student with written notice and guidance on how to immediately challenge the decision.

## **DRUG AWARENESS**

Milan Institute maintains a drug-free campus and work place. Milan Institute maintains a list of community drug rehabilitation centers that specialize in drug abuse treatment where, if help is needed, the student or employee may receive help. Milan Institute **will not tolerate** any illegal drugs or alcohol being used on the campus. The school refers students to outside agencies when the student requests assistance. The school complies with Section 487 (a) (10) of the Higher Education Act, Amendments of 1986, concerning drug abuse prevention programs for students.

## **DRUG FREE ENVIRONMENT**

In recognition of the problems associated with drug and alcohol abuse in society today, *Milan Institute* provides all students and employees with the following information:

**TITLE IX SEXUAL HARASSMENT POLICY**

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX Sexual Harassment is defined as conduct on the basis of sex that satisfies one or more of the following:

- unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity;
- an employee of the school conditioning the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct; or
- sexual assault, as defined in the Clery Act, or dating violence, domestic violence, or stalking as defined in Violence Against Women Act (VAWA).

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim), to the Title IX Coordinator at any time by mail, by telephone, or by e-mail. Students (active or potential) or Employees (active or potential) who feel they are a victim of sexual harassment should be directed to contact the Title IX Coordinator.

The Title IX Coordinator can be reached at:

Title IX Coordinator  
Milan Institute  
2345 W. Beech Ave. #4139  
Visalia, CA 93277  
TitleIX@milaninstitute.edu

Milan's obligations under Title IX are triggered upon having actual knowledge of alleged sexual harassment that occurred within its educational program or activity against a person in the United States. Milan may have obligations under Title IX even in absence of a formal complaint. Once these obligations are triggered, Milan will respond promptly and without deliberate indifference.

No employee of Milan may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this part, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part.

The presumption is that the person accused of being the perpetrator of conduct that could constitute sexual harassment conduct is not responsible for the alleged conduct until a determination is made at the end of the grievance process. This does not imply that the alleged conduct did not occur but rather ensures Milan staff do not take action against the alleged perpetrator as though the alleged conduct occurred prior to final determination. All Milan staff involved in the Title IX process interact with both parties impartially throughout the grievance process without prejudgment and without drawing inferences about credibility based on the person's role.

## **STUDENT SEXUAL HARASSMENT POLICY (NON-TITLE IX)**

### **Policy Overview**

It is the policy of Milan to ensure that students can learn in a safe and nondiscriminatory educational environment based on religious, racial, sexual harassment and violence. Milan strictly prohibits any form of religious, racial, sexual harassment and violence. It is a violation of college's policy for a student, faculty member, staff member, administrator, third party or other employee to harass a student, faculty member, administrator or other college personnel through conduct or communication of a sexual nature. It is a violation of college's policy for any student, faculty member, administrator, third party or other college personnel of Milan to inflict or threaten to inflict, or attempt to inflict sexual violence upon any student, faculty member, administrator, or other college personnel.

### **Definitions—Sexual Harassment**

Non-TITLE IX Sexual Harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature that does not meet the requirements of Title IX sexual harassment when:

- submission to that conduct or communication is made a term or condition, either explicitly, of obtaining or retaining employment, or of obtaining an education; or
- submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment or education; or
- that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment or education, or creating an intimidating, hostile or offensive employment or education environment.

Non-Title IX sexual harassment may also include but is not limited to:

- unwelcome verbal harassment or abuse;
- unwelcome pressure for sexual activity;
- unwelcome, sexually motivated, or inappropriate patting, pinching or physical contact, other than necessary restraint of student(s) by faculty members, administrators, college law enforcement, or other college personnel to avoid physical harm to persons or property;
- unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt threats concerning an individual's employment or educational status;
- unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt promises of preferential treatment with regard to an individual's employment or education status; or
- unwelcomed behavior or words directed at an individual because of gender.
- Of importance is to note that sexual harassment or violence does not have to occur between different genders. Same sex harassment and violence will be treated equally as sexual harassment or violence between same sex members.

### **Reporting**

Any person who believes he or she has been the victim of sexual harassment or violence by a student, faculty member, administrator or other college personnel of Milan should report the occurrence to either the School Director or the Corporate Compliance Department. To reach the Corporate Compliance Department, persons need to complete the Student Complaint form at <https://milaninstitute.edu/student-complaint-form> and a member of the department will respond via email.

### **Privacy**

Milan will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible. The college will attempt to honor a student's request that his or her name be withheld if this can be done consistently with the school's obligation to remedy the harassment and take steps to prevent further harassment.

### **Action**

Milan is required to investigate all accusations of sexual harassment and violence and to take the appropriate actions which could include disciplinary proceedings against any individuals found to be in violation of this policy.

### **Anti-Retribution**

Any person who retaliates against another for testifying, assisting, or participating in an investigation or proceeding relating to harassment or violence shall be subject to discipline. Retaliation includes, but is not limited to, any form of intimidation, retribution, or harassment.

## **STUDENT SEXUAL ASSAULT, DOMESTIC AND DATING VIOLENCE POLICY**

Milan is committed to maintaining a safe and secure campus for all of its students and employees. Milan's policy on Sexual Violence, Domestic Violence and Dating Violence specifically addresses procedures that must be followed when an incident of sexual assault, domestic violence, dating violence or stalking is reported.

For detailed information and a copy of our policy, awareness, and programs available, please visit: <https://milaninstitute.edu/consumer-and-clery-information>

## **STUDENT SOCIAL MEDIA POLICY**

Milan Institute recognizes that social media is a powerful tool for communication and self-expression. While it offers students opportunities to connect and share, it also comes with responsibilities. This

policy clarifies expectations for all students engaging on social media to ensure online behavior reflects the values of respect, professionalism, and inclusivity that Milan Institute upholds.

### **Scope and Applicability**

This policy applies to all student activity on social media, whether public or private, and regardless of whether Milan Institute is explicitly mentioned. Any online content that impacts the school environment, educational experience, or Milan's reputation is subject to review under this policy.

Social media includes (but is not limited to): Facebook, Instagram, X (formerly Twitter), TikTok, YouTube, LinkedIn, Reddit, Snapchat, Discord, blogging platforms, forums, and any other platform where users post or share content publicly or semi-publicly.

### **Professional Conduct Expectations**

Students are expected to conduct themselves professionally at all times online. In accordance with Milan Institute's Conduct Policy, the following are prohibited:

- Using vulgar, obscene, or profane language.
- Making hostile, threatening, or defamatory comments about individuals or groups.
- Posting or sharing content that is discriminatory based on race, ethnicity, national origin, gender, sexual orientation, religion, age, disability, or any protected characteristic.
- Encouraging or depicting violence, drug use, or illegal activity.
- Sharing confidential or proprietary information, including photos or videos taken on Milan campuses or recordings/video of distance education sessions without permission.
- Harassing other students, staff, faculty, or clients—even if the conduct occurs outside of scheduled hours.
- Posting defamatory content about staff, faculty, client or other student's family, children, or personal relationships without their express permission.

### **Use of Milan's Name, Property, or Imagery**

Any content that features Milan Institute—such as photos on campus, tags using the school's name, or comments about instructors, staff, or students—must be appropriate and professional. Students are subject to this policy regardless of whether Milan is directly tagged or referenced. Use of Milan's logos or branding without permission is prohibited.

### **Addressing Concerns**

Social media is not an appropriate channel to resolve grievances. Students with concerns regarding administration, instruction, or policy enforcement must follow the school's official Grievance Policy. Inappropriate or disparaging online conduct used as a substitute for grievance resolution will be treated as a violation of this policy.

### **Disciplinary Action**

Violations of this policy may result in disciplinary action, including warnings, probation, suspension, or dismissal, depending on the severity of the offense. Milan Institute reserves the right to remove inappropriate content from its platforms and investigate any conduct that undermines campus safety or student well-being.

### **Freedom of Expression**

Milan Institute supports students' rights to free expression. This policy is not intended to suppress constructive criticism or personal opinion. However, when expression crosses into harassment, discrimination, or policy violations, Milan has an obligation to act to preserve a safe and respectful learning environment.

### **Agreement to Terms**

Students who post on Milan-managed platforms agree that their content may be reviewed, reproduced, or removed at the school's discretion. Students must not violate copyright laws, post advertisements or spam, or impersonate others in any form of media.

## **ANTI-BULLYING STATEMENT**

Milan Institute believes that all students have a right to a safe and healthy school environment in which mutual respect, tolerance, and acceptance are fostered.

Milan Institute will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; social isolation or manipulation; threats either directly or indirectly or any other activities that create a hostile environment at school that is sufficiently serious that it interferes with or limits a student's ability to participate in or benefit from the services, activities, or opportunities offered by a school.

Milan Institute expects students and/or staff to immediately report incidents of bullying to the School Director. Staff members who witness such acts will take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity and during a school-sponsored activity.

Students who bully are in violation of this policy and are subject to disciplinary action up to and including termination.

## **STUDENT GRIEVANCE POLICY**

When problems arise, students should make every attempt to resolve the issue by following the formal complaint procedure. The procedure is as follows:

1. Contact the Lead Instructor in charge to resolve the problem or complaint.
2. If the issue cannot be resolved with the Lead instructor, contact the Campus Director to schedule a meeting to discuss the concern.
3. If a mutual solution cannot be reached with the School Director, the student should submit an appeal using the written complaint online at [milaninstitute.edu/student-complaint-form](http://milaninstitute.edu/student-complaint-form). A corporate mediator will facilitate review of the grievance within 10 days and a written response will be sent to the complainant with the decision and/or resolution.

The student has the right to submit a complaint letter to the school's state agencies and/or accrediting agency at any time.

- a. The school's accrediting agency is the Council on Occupational Education (COE) located at 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Phone: (770) 396-3898 / FAX: (770) 396-3790, [www.council.org](http://www.council.org).
- b. A student of any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll free or by completing a complaint form, which can be obtained on the bureau's website: [www.bppe.ca.gov](http://www.bppe.ca.gov).
- c. The school has an additional state agency for cosmetology-related programs: Board of Barbering and Cosmetology (BBC), P.O. Box 944226, Sacramento, CA, 94244, Phone (800) 952-5210 / FAX: (916) 575-7281.

The school maintains its complaint log for at least two years.

## **ARBITRATION POLICY**

Should a dispute arise, which could not be settled through the school's internal grievance procedures, students and the school have agreed to arbitration at the time of enrollment as the only means legal recourse. Any dispute a student may bring against Amarillo College of Hairdressing, Inc., and/or any of its wholly owned subsidiaries, Milan Institute, Milan Institute of Cosmetology, or any of its parents, subsidiaries, successors, officers, directors, or employees, without limitation, (hereinafter collectively and individually referred to as "ACH") or which ACH may bring against a student, no matter how characterized, pleaded or styled, shall be resolved by binding arbitration pursuant to the Federal

Arbitration Act and conducted by the American Arbitration Association (“AAA”), at the ACH location which the student attends or was attending, and under its Supplementary Rules for Consumer Related Disputes, and decided by a single arbitrator. Any dispute over the interpretation, enforceability or scope of this Arbitration Agreement shall be decided by the Arbitrator, and not by a Court. Both students and school explicitly waive any right to a jury trial and understand that the decision of the arbitrator will be binding, and not merely advisory.

Neither ACH nor student shall file any lawsuit against the other in any court and agree that any suit filed in violation of this provision shall be promptly dismissed by the court in favor of arbitration. Both ACH and school agree that the party enforcing arbitration shall be awarded costs and fees of compelling arbitration.

The costs of the arbitration filing fee, arbitrator’s compensation, and facilities fees that exceed the applicable court filing fee will be paid by ACH.

Any dispute or claim brought by ACH or student shall be brought solely in their individual capacity, and not as a plaintiff or class member in any purported class action, representative proceeding, mass action or consolidated action.

Any remedy available from a court under the law shall be available in the arbitration.

To the extent a student has outstanding federal student loan obligations incurred in connection with their enrollment at ACH, any arbitration award providing monetary damages shall direct that those damages be first paid toward the student loan obligations.

Students and/or ACH may, but need not, be represented by an attorney at arbitration.

Information about the AAA arbitration process and the AAA Supplementary Rules for Consumer Related Disputes can be obtained at [www.adr.org](http://www.adr.org) or 1-800-778-7879. Students must disclose the Arbitration Agreement document they signed at the time of enrollment to the AAA.

We agree that neither we nor anyone else who later becomes a party to this predispute arbitration agreement will use it to stop you from bringing a lawsuit concerning our acts or omissions regarding the making of the Federal Direct Loan or the provision by us of educational services for which the Federal Direct Loan was obtained. You may file a lawsuit for such a claim or you may be a member of a class action lawsuit for such a claim even if you do not file it. This provision does not apply to other claims. We agree that only the court is to decide whether a claim asserted in the lawsuit is a claim regarding the making of the Federal Direct Loan or the provision of educational services for which the loan was obtained. We make the proceeding agreement only to the extent required by a valid regulation issue by the U.S. Department of Education.

Milan Institute seeks to resolve disputes or claims between any student and the school in a manner that addresses an individual student’s complaint in an efficient, cost-effective, and quicker manner than traditional litigation. A student who enrolls at Milan Institute agrees, as a condition of his or her enrollment, to resolve any dispute through mandatory arbitration that shall not be adjudicated as a class action or a consolidated class arbitration proceeding. However, the school cannot require a student loan borrower to participate in arbitration or any internal dispute resolution process offered by the institution prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 CFR 685.206(e); the school cannot, in any way, require students to limit, relinquish, or waive their ability to pursue filing a borrower defense claim, pursuant to 34 CFR 685.206(e) at any time; and any arbitration, required by a pre-dispute arbitration agreement, tolls the

limitations period for filing a borrower defense to repayment application pursuant to 34 CFR 685.206(e)(6)(ii).

### **STUDENT PHOTO RELEASE**

Students attending Milan Institute give the school the absolute right and permission to take photographs and/or video of the students in class, in clinic or in lab for advertising, trade publications and/or any other lawful practice.

### **RESPONSIBILITY FOR PERSONAL PROPERTY**

Milan Institute does not assume responsibility for loss or damage to personal property through fire, theft, or other causes on or off the Milan Institute campus.

### **COPYRIGHT INFRINGEMENT POLICY**

Compliance with federal copyright law is expected of all students. "Copyright" is legal protection for creative intellectual works, which is broadly interpreted to cover just about any expression of an idea. Text (including email and web information), graphics, art, photographs, music, and software are examples of types of work protected by copyright. The creator of the work, or sometimes the person who hired the creator, is the initial copyright owner.

You may "use" all or part of a copyrighted work only if (a) you have the copyright owner's permission, or (b) you qualify for a legal exception (the most common exception is called "fair use"). "Use" of a work is defined for copyright purposes as copying, distributing, making derivative works, publicly displaying, or publicly performing the work.

Copying, distributing, downloading, and uploading information on the Internet may infringe the copyright for that information. Even an innocent, unintentional infringement violates the law. Violations of copyright law that occur on or over the school's networks or other computer resources may create liability for the school as well as the computer user.

Students who violate Copyright Infringement Policy are subject to disciplinary action, including suspension and termination.

#### **Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws:**

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

### **INSTITUTIONAL STUDENT RECORDS RETENTION**

Milan Institute shall maintain for a period of 5 years the pertinent student records and other institutional documents from the student's date of completion or withdrawal. Additionally, transcripts will be kept permanently.

## **STUDENT RECORDS ACCESS, SECURITY AND RELEASE**

The information in student files is confidential. A student's right to inspect these records is in accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380, as amended. Generally, we must have written permission from the student, parent, or guardian before releasing any information from the student's financial aid record. However, the law allows us to disclose records, without consent, to the following:

A school MAY disclose education records without consent when:

## **ACADEMIC INFORMATION - ALL PROGRAMS**

### **VERIFICATION OF ATTENDANCE/TRANSCRIPTS**

Graduates requiring official verification of attendance or transcripts to be sent to other educational institutions must submit such a request in writing. Allow 30 days for the verification of attendance or the transcript to be sent. A certificate of completion will not be sent if a student has not met his/her financial obligations with Milan Institute.

### **ATTENDANCE POLICY**

Due to the fast-paced environment of vocational education, attending every class hour is extremely important. Students who do not attend class hours are missing relevant academic knowledge and career skills. Students who miss class hours are not able to participate in the classroom discussions, questions and answers, cooperative learning activities, and/or hands on activities that improve skill and knowledge retention. Lack of attendance can result in termination of enrollment.

**Students are expected to attend and complete all hours scheduled within their academic program.**

To ensure the commitment to student success, Milan expects that attendance be taken in all classes, starting with the first day of the class. Class attendance is monitored beginning with the first class meeting, and students are expected to attend all class sessions for which they are scheduled. It is the responsibility of the student to arrange to make up of any course work missed and to notify the instructor when an absence will occur.

**Tardiness—** If a student is more than 10 minutes late to class, returning to class from breaks and lunch, the student is considered tardy and attendance is penalized in quarter hour increments. For each tardy, points will be deducted from the daily professionalism grade as indicated on the class syllabus.

#### **Absences**

Any time that a student misses time (excluding tardiness) will be considered absent. Hours absent are deducted from total daily class time.

Example – Daily class time: 5 hours

Student misses 2 hours; time recorded in the Student Information System is 3 hours.

Student is considered absent for 2 hours.

#### **Excused/ Unexcused absences**

Milan Institute does not differentiate between excused and unexcused absences. Students are expected to call in if absent, for courtesy and responsibility, as if they were in the work environment.

#### **Maximum Consecutive Days Absent**

If student misses 14 consecutive calendar days without communication to the school regarding the absences and a plan to return on a specific date, the student will be withdrawn from the program on the 15<sup>th</sup> consecutive calendar day absent. The date of determination that the student is considered to have withdrawn is no later than 14 days after the student's last date of attendance as determined by its attendance records.

#### **Make-up Work**

Students may make-up hours and assignments during the course. Make-up time is scheduled after class with instructor supervision and proper documentation. Students who do not complete make-up hours and assignments by the end of the module/course, may complete the Request to Complete Course Requirements form and submit to the instructor for approval or denial. If approved, the student

**will receive a grade of "I" (incomplete) and have 14 calendar days from the end of the course to complete hours and assignments. See instructor for make-up schedule.**

#### **Make-up Education**

**Assignments/Projects-** If absent, classroom Assignments/Projects must be complete upon return within 2 class sessions and will automatically receive a 50% deduction.

A student must notify the Front Desk to report any absence to be eligible to make-up time, assignments, quizzes, exams, and/or homework. The Front Desk will notify the instructor and Education Leader of the absence.

**Homework** – Homework turned in after the due date will receive a 25% deduction and must be completed within 2 class sessions of the assignment due date or return from an absence

**Final Exams** – If absent on the day of the Final Exam, Exam must be completed upon return within 2 scheduled class sessions and will automatically receive a 10% deduction

**Quizzes** – If absent for a scheduled quiz, the scheduled quiz must be completed the day the student returns to class with a 10% deduction; unannounced quizzes may not be made up.

#### **ACADEMIC AND ATTENDANCE ADVISING POLICY**

Any students falling below Satisfactory Academic Progress (SAP) at mid-point and end of contracted program will be advised of their academic and attendance standing by a designated school official. Students who are not meeting minimum expectations will be provided SAP notification and an Academic Plan to provide guidance on improving standing to achieve completion. The student portal is available to all students to check standing as needed. Students are expected to check their attendance and progress through the student portal at least weekly to ensure they are meeting academic progress standards. Instructors encourage students to utilize their portal. See SAP policy for additional information

Student's strengths and areas requiring improvement are identified and plans for improvement are discussed during the advising to provide a student the opportunity to achieve expectations. When professional assistance is needed students are provided contact information for those community resources (also posted on the Student Intranet page). Documentation will be signed by both the school official and the student. The signed documentation will be retained in the student's official academic file located in the Student Information System. Academic Review meetings are also available to address special matters. The Academic Review Committee can be composed of a combination of the School Director, education leader, program coordinators, financial aid officers, and instructors. The school refers students to outside agencies when the student requests assistance.

## **RE-ENTRY/REINSTATEMENT ASSESSMENT**

All programs except Cosmetology-related programs

Re-entry/Reinstates less than 6 months from Last Day of Attendance (LDA)

1. If applicable, a student's technical skills will be evaluated to determine current competency in the practical aspects of the program and treated as if the student did not cease attendance for purposes of determining the student's academic standing for the period. If skills are lacking, a Course Improvement Action will be required.
2. The student will be given credit for the courses previously successfully passed. Any student reinstating with a cumulative grade-point average below a 2.00, will repeat any course(s) below a 2.00 GPA.
3. A student with only externship course remaining must be evaluated on technical based skills required for externship. If a student is proficient in all the technical/hands on skills, the student may proceed to externship. If a student is not proficient in all the technical/hands on skills, the student will

need to be placed on a Course Improvement Action Plan until skills are considered proficient for the externship.

4. A student may have a discussion with the campus Education Leader to address the student's desire to repeat coursework to improve academic outcomes. If, after discussion with the campus Education Leader, it is decided that in the best interest of the student to repeat the coursework/hours, the campus Education Leader will record on the Evaluation of Prior Education that the prior education has been forfeited to improve educational outcomes. A written statement by the student explaining reasoning for repeating course work will also be attached to the Evaluation of Prior Education Form.

5. All re-entry/reinstatements will have any prior Satisfactory Academic Progress status determination applied to the re-entry/reinstatement as required.

#### Re-entry/Reinstatements greater than 6 months from LDA

1. A student accepted for re-entry/reinstatement will be required to pass academic and/or technical skill assessments with a 70% or higher for each course previously completed with a 2.00 GPA or higher to be eligible for course credit. Any course below a 2.00 GPA will be repeated. The Education Leader will set up course and skill assessment with the instructors.

This will often be used for skill improvement in medical, and dental.

2. The Course Improvement Plan should include specific skills and/or knowledge the student is deficient and needs improving. The student will be enrolled into the course that offers laboratory/clinical that will allow the student to successfully reach proficiency. A student will be enrolled into an entire course or module focusing on specific skills that requirement improvement.

3. The Course Improvement Plan must contain the specific course or module the student is enrolling and specific skills focusing on (in addition to the course content). It is imperative that the student is enrolled and scheduled in a specific course or module.

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

Satisfactory Academic Progress ("SAP") is a requirement for all Milan Institute students. Students receiving funds under any Federal Title IV financial aid assistance programs must maintain satisfactory academic progress in order to continue eligibility for such funds. Progress is measured in terms of both attendance and course work. The SAP policy is provided to students prior to enrollment.

All students are evaluated for Satisfactory Academic Progress at the end of the first payment period or midpoint of the program or academic year, and at the end of the program or academic year. An academic year in a clock hour program is a minimum of 900 clock hours AND 26 weeks. A week is considered any seven-day period from Sunday through Saturday in which at least one schedule class day occurs.

### **Clock Hour Program**

The student's academic progress is evaluated at the point the student is scheduled to complete the required clock hours and scheduled weeks for that payment period. Students must maintain (1) an accumulative grade point average of 2.0, and (2) an attendance rate of 67% of the scheduled hours.

To successfully complete a program, the student must complete 100% of the program requirements within no more than 150% of the program length, measured in scheduled hours.

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory progress until the next scheduled evaluation.

If a student is granted credit for previous training or experience, the granted courses will not be assigned a letter grade but will be recorded with a grade of "pass", which will not count towards the student's

grade point average calculation and will not affect the grade point average element of satisfactory academic progress. Transfer hours are included as completed hours for purposes of measuring rate of progress.

Transfer hours are accepted toward completion of a student's program as both hours attempted and hours completed for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on scheduled contracted hours at the institution.

### **Grading**

To assess the qualitative measure of academic progress, students are assigned theory study and a minimum number of practical performances. Theory is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion ONLY when rated as satisfactory or better. If the skill does not meet satisfactory requirements, it is not counted and the skill must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures, performance standards established by the state licensing agency, and set forth in the practical skills evaluation criteria adopted by the school. Students must maintain a cumulative grade average of 70% and pass a FINAL academic and skill exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

The school uses a four –point scale to determine academic standing according to the following grading chart:

| Letter Grade | Numerical Percentage | Description   | Quality Points |
|--------------|----------------------|---------------|----------------|
| A            | 90 – 100%            | Outstanding   | 4.0            |
| B            | 80 - 89%             | Above Average | 3.0            |
| C            | 70 - 79%             | Average       | 2.0            |
| D            | 60 – 69%             | Below Average | 1.0            |
| Grad         | N/A                  | Grad          | N/A            |

### **Non-credit Remedial Courses**

Non-credit remedial courses have no effect upon the institution's satisfactory academic progress standards as no such courses are offered.

### **Institutional Withdrawal**

Withdrawing from the institution has no effect upon the student's satisfactory academic progress.

**Grad (Grad):** A student who successfully completes an Advanced Cosmetology, Cosmetology, Barbering, Advanced Esthetician, Esthetician, or Manicurist program and meets the requirements for graduation from that program will receive a grad grade (Grad) for the final grade of the program.

## **CONSEQUENCES OF FAILURE TO MEET SATISFACTORY ACADEMIC PROGRESS STANDARDS**

**Financial Aid Warning (FA Warning)** – Students who fail to meet minimum requirements for completion or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

**Financial Aid Probation (FA Probation)** – Students who fail to meet minimum requirements for completion rate or academic progress after the warning period will be notified of their termination of eligibility for Federal Student Aid funds. If the student files an appeal of academic progress and prevails, they will be placed on probation and considered to be making satisfactory academic progress during the probationary period. Students on financial aid probation remain eligible for Federal Student Aid funds. Students must be placed on an academic plan and must be able to meet requirements set forth in the academic plan by the end of the probationary evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

**Failed FA Probation or Exceeding 150% of the Program Length** - Students who fail probation will lose their eligibility for Federal Student Aid for the program in which they are enrolled. Within 5 business days the Campus Director will counsel the student and complete a “FA Ineligible Letter” to determine if student will continue their program on a cash payment plan or be dropped from the program. A signed copy must be emailed to SRC group. A cash payment plan will need to be in place within 5 business days from the original notification of FA Ineligible status notification. If not received by the timeline outlined above, the SRC will email a notification to the COO for final decision to allow an extension or proceed with dropping immediately.

**Maximum Timeframe (MTF)** – For a program measured in credits, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured in credits. MTF includes all hours attempted, which include successfully completed credits, transfer credits, withdrawals, and repeated classes.

For a program measured in clock hours, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured by the number of scheduled clock hours the student is required to complete and expressed in calendar time.

**Quantitative Evaluation** - Students are required to complete a minimum of 66.67% of the scheduled clock hours or financial aid credits required based on the applicable program requirements to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The completion percentage is determined by dividing the total clock hours or financial aid credits attended/earned by the total number of clock hours or financial aid credits scheduled in the evaluation period. At the end of each evaluation period, Milan will determine if the student has maintained at least 66.67% cumulative completion rate which indicates that, given the same progression rate, the student will graduate within the maximum time frame [150%] allowed. Transfer clock hours or financial aid credits and those for which a student received a grade of “W”, “I” or “R” will also be included in the Quantitative Evaluation.

**Qualitative Evaluation** - The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned theory study and a minimum number of skill assignments as required for course completion. Academic progression is evaluated after each unit of study. Students must maintain an academic grade average of 2.0 or 70% and pass a final academic and skill exam prior to graduation. Students must make up failed or missed tests and/or courses. Grades for Transfer clock hours or financial aid credits and Withdrawal (W), Withdrawal Cancel (WC), Incomplete (INC) will not count towards Qualitative Evaluation. For Repeat classes, the latest grade will be included in the Qualitative Evaluation.

**Evaluation Periods** - Milan shall evaluate academic progress for all students at regular intervals (i.e., end of each payment period, academic year or program completion as detailed in the Program

Overviews). Evaluations must be performed when a student reaches the scheduled hours of a payment period.

### **Appeal Procedure**

A student who loses aid eligibility due to failure to maintain satisfactory academic progress may appeal the status. The student must submit a written appeal of the dismissal within one week of the date the school took action. The appeal should be addressed to the School Director. The reasons for which a student may appeal include death of a relative, an injury or illness of the student, death in the family, etc. Supporting documentation must accompany the written appeal. For example, an appeal based on illness of the student should include applicable medical documentation. After successful appeal, with an academic plan, the student will be placed on SAP Probation for the following evaluation/payment period. The student must be at satisfactory academic progress at the end of the probationary period or financial aid eligibility will be terminated.

The student's appeal must address the following:

- The basis for the appeal – description of the special circumstances and,
- The reason why the student failed to meet the SAP standard(s) and,
- What has changed in the student's situation so that he or she will now be able to meet SAP standards.

Students are allowed one appeal to remain eligible for financial aid in an academic program.

**Leave of Absence / Temporary Interruptions** – For students returning from an approved leave of absence, their contract period and maximum time frame will be extended by the same number of days taken in the leave of absence. Reasonable provisions will be provided for LOAs or other temporary interruptions, such as academic advising or review of material when resuming training.

**SAP Re-Entry** - Students who have violated FA Probation and have been dismissed shall not be eligible for financial aid in the same program of study. Students may have the opportunity to return in a different program of study and be eligible for financial aid with an additional Satisfactory Academic Progress appeal.

### **Re-enrollment/Re-entrance**

Re-enrollment or re-entrance will be approved only after evidence is shown to the director's satisfaction that conditions which caused the interruption or unsatisfactory progress have been corrected. Re-entering students return to the institution in the same progress status as when they left.

### **LEAVE OF ABSENCE – Cosmetology Related Programs**

Milan Institute permits students to request a leave of absence (LOA) as long as the leave does not exceed a total of 180 days during any 12-month period, starting from the first day of the first leave, that there is a reasonable expectation that the student will return, and as long as there are documented, legitimate extenuating circumstances that require the students to interrupt their education, including pregnancy (including childbirth, false pregnancy, termination of pregnancy, and recovery therefrom), temporary disability, medical reasons, or other reasons such that the campus determines that an LOA is in the student's best interest. A student may take multiple leaves of absence as long as the total leaves of absence do not exceed 180 days during any 12-month period.

However, an LOA will not be granted for any of the following reasons:

- The courses that the student needs are not available;
- The courses that the student needs are available, but the student declines to take them;
- An externship/internship site is not available for the student;
- A student is unable to pay tuition;
- The student is failing a course(s); or

- To delay the return of unearned federal funds.

Students requesting an LOA must submit a signed and completed Leave of Absence Request Form prior to the beginning date of the leave. If circumstances of an unusual nature that are not likely to recur prevent the student from submitting the request in advance, the leave may still be granted, but only if:

- The school documents the unforeseen circumstances and the Education Leader, Dean or School Director determines that these circumstances meet the exception requirements (i.e., “of an unusual nature and not likely to recur”), for example, if a student were injured in a car accident and needed a few weeks to recover before returning to the institution, the student would not have been able to request the LOA in advance, and
- The student submits a signed and completed Leave of Absence Request Form. The beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.

Students granted an LOA that meets these criteria are not considered to have withdrawn, and no refund calculation is required at that time.

#### **Re-Admission Following a Leave of Absence**

- Upon return from leave, the student will be required to repeat the modules or class, if it had been interrupted, and receive final grades.
- The student will not be charged any fee for the repeat of any module or class from which the student took leave or for students returning from a leave of absence.
- The date the student returns to class is normally scheduled for the beginning of a class or module.
- When a student is enrolled in a modular program, the student may return at any appropriate module, not only the module from which the student withdrew.

#### **Extension of Leave of Absence**

A student on an approved LOA may submit a request to extend the LOA without returning to class.

Such a request may be approved by the Dean, Education Leader or School Director provided:

- The student submits a completed LOA Extension Request Form before the end date of the current leave.
- There is a reasonable expectation the student will return.
- The number of days in the leave as extended, when added to all other approved leaves, does not exceed 180 calendar days in any twelve (12) month period calculated from the first day of the student’s first leave.
- Appropriate modules or classes required for completion of the program will be available to the student on the date of return. If the extension request is approved, the end date of the student’s current leave will be changed in the official student information system to reflect the new end date.

If the request is denied, the student will be withdrawn and the withdrawal date will be the student’s last date of attendance (LDA).

#### **Return from a Leave of Absence**

A student must return from a LOA on or prior to the scheduled date of return. Students in modular based programs may return prior to the scheduled return date as long as they return on the first day of any appropriate module.

#### **Failure to Return from a Leave of Absence**

If the student does not return from LOA as defined above, the student will be withdrawn. The withdrawal date will be the student's last day of attendance (LDA) for purposes of calculating a refund. A Title IV refund calculation will be completed using the last date of attendance prior to the start of the LOA.

### **Possible Effects of Leave of Absence**

Students who are contemplating an LOA should be cautioned that one or more of the following factors may affect the length of time it will take the student to graduate.

- Students returning from a LOA are not guaranteed that the module or class required to maintain the normal progress in their training program will be available at the time of reentry
- They may have to wait for the appropriate module to be offered
- Financial aid may be affected
- The LOA could also affect the student's:
  - Loan repayment terms, including the exhaustion of some or all of the student's grace period
  - Rate of progress
  - Maximum time frame for completion

### **RECORD OF ATTENDANCE**

A time clock is used for general attendance records. Attendance records are maintained in a permanent file by the school.

### **MAKE UP WORK**

Students who do not obtain a satisfactory score are required to re-take the test or another version of the test for that subject before the end of the month (or within the first five days of the following month) to obtain a satisfactory or better score. Students who miss a test due to an absence are encouraged to make up the test within the same month it was missed, but the school acknowledges that the student does have until the course completion to ensure that all requirements are met. Cumulative theory averages are based on tests taken from the beginning of the course through the month being evaluated.

### **GRADUATION REQUIREMENTS**

Students must satisfactorily complete all required tests and practical assignments as outlined in their designated program. Students who fail to make the necessary grade will be given the opportunity to retake the subject. All students are required to pass the school's final examination with a grade of not less than 75% on both practical and written exams prior to Graduation. Upon successful completion of the program hours and graduation requirements, students who have met their financial obligations and completed a financial aid exit interview will receive their Certificate of Completion. They will then be eligible to sit for the State licensing exam. The student must also meet the requirements set forth by the Board of Barbering and Cosmetology prior to going to State Board.

### **LICENSING REQUIREMENTS**

#### **GROUNDS FOR DENIAL OF A LICENSE**

1. A board may deny a license regulated by this code on the grounds that the applicant has one of the following:

- a. Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action which a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.
- b. Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or another, or substantially injure another; or; done any act which if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions or duties of the business or profession for which application is made.

2. Notwithstanding any other provision of this code, no person shall be denied a license solely on the basis that he has been convicted of a felony if he has obtained a certificate of rehabilitation under Section 4852.01 and following of the Penal Code or that he has been convicted of a misdemeanor if he has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.
3. A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for such license.

#### **CRIMINAL HISTORY**

Some employers who seek to hire graduates conduct detailed background checks before hiring applicants. Employers may be reluctant to employ applicants who have been convicted of a crime and obtaining employment in my field of study may be difficult.

Prospective students interested in Cosmetology related programs who have a felony or misdemeanor conviction on their record are strongly recommended to complete the California Board of Barbering and Cosmetology ("BBC") pre-approval process and pay the \$75 application fee.

# ACADEMIC INFORMATION

# ALLIED HEALTH PROGRAMS

## **LAB AND PRACTICAL TRAINING**

All of Milan Institute's students receive lab and practical training.

## **ORIENTATION**

New students attend an orientation meeting before the start date of each program. This meeting is to welcome new students and introduce them to the school's policies and procedures. Students also attend a financial aid interview and orientation. Students have the opportunity to meet fellow students, school staff and instructors. Attendance and grading policies form a large part of the orientation information, which also includes projected graduation dates, holidays and vacations pertaining to the relevant enrollment period.

## **STUDENT RATIOS**

An effort is made to keep instructor/student ratios at a level most appropriate to deliver effective education and to adhere to accreditation and/or state mandates. The maximum instructor/student ratio in lecture classes is 1 instructor for every 40 students; in medical labs the ratio is 1 instructor for every 20 students. When needed, teaching assistants are provided to further reduce the instructor/student ratio.

## **ENROLLMENT POLICY**

Classes are in continuous session throughout the year. A calendar of start dates for the current year is located in the back of this catalog. Class availability for this year is available from the Admissions Office.

## **CLASS SCHEDULE**

Milan Institute holds classes each Monday through Saturday. Days and times vary for each program. The school also recognizes legal holidays. Milan Institute informs students when classes and holiday schedules vary (see insert in back of catalog). Students may be required to attend classes for additional hours or additional days when a holiday falls on a scheduled class day. Evening and Saturday classes are available for some programs. Classroom instruction consists of 50-minute sessions. Please contact the Admissions Department for specific information on class schedules.

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

Satisfactory Academic Progress ("SAP") is a requirement for all Milan Institute students. Students receiving funds under any Federal Title IV financial aid assistance programs must maintain satisfactory academic progress in order to continue eligibility for such funds. Progress is measured in terms of both attendance and course work. The SAP policy is provided to students prior to enrollment.

All students are evaluated for Satisfactory Academic Progress at the end of the first payment period or midpoint of the program or academic year, and at the end of the program or academic year

## **Clock Hour Program**

The student's academic progress is evaluated at the point the student is scheduled to complete the required clock hours and scheduled weeks for that payment period. Students must maintain (1) an accumulative grade point average of 2.0, and (2) an attendance rate of 67% of the scheduled hours.

To successfully complete a program, the student must complete 100% of the program requirements within no more than 150% of the program length, measured in scheduled hours.

## **Credit Hour Program**

The student's academic progress is evaluated at the point the student has been scheduled for the required credit hours and weeks for the payment period in review. Students must maintain (1) an accumulative grade point average of 2.0 and (2) complete 70% of the units attempted with a 1.0 or higher grade for the payment period in review.

To successfully complete a program, the student must complete 100% of the program credits within no more than 150% of the program length, as measured by attempted credits.

## **Clock Hour Programs and Credit Hour Programs:**

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory progress until the next scheduled evaluation.

If a student is granted credit for previous training or experience, the granted courses will not be assigned a letter grade, but will be recorded with a grade of "pass", which will not count towards the student's grade point average calculation and will not affect the grade point average element of satisfactory academic progress. Transfer hours are included as completed hours for purposes of measuring rate of progress.

Transfer hours are accepted toward completion of a student's program as both hours attempted and hours completed for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on scheduled contracted hours at the institution

## **Grading**

The school uses a four –point scale to determine academic standing according to the following grading chart:

| Letter Grade | Numerical Percentage | Description        | Quality Points |
|--------------|----------------------|--------------------|----------------|
| A            | 90 – 100%            | Outstanding        | 4.0            |
| B            | 80 - 89%             | Above Average      | 3.0            |
| C            | 70 – 79%             | Average            | 2.0            |
| D            | 60 – 69%             | Below Average      | 1.0            |
| Fail         | 0 – 59%              | Failing            | 0.0            |
| Pass         | N/A                  | Pass               | N/A            |
| INC          | N/A                  | Incomplete         | N/A            |
| W            | N/A                  | Withdrawn          | N/A            |
| WC           | N/A                  | Withdrawn – Cancel | N/A            |
| Repeat       | N/A                  | Repeated           | N/A            |

**Failing (Fail):** A student who unsuccessfully completes a course and receives a 59% or lower in required course elements receives a failing grade (Fail) for the course. Students who receive a failing grade (Fail) in a required course must repeat the course and receive a passing grade or receive transfer credit for the course in order to graduate. When the student repeats the course with a passing grade or receives transfer credit, original failing grade will be changed to a repeated grade (Repeat) on the transcript.

**Passing (Pass):** A student who is granted credit for previous training or experiential training will have the relevant courses assigned a passing grade (Pass), which will not affect the student's grade point average and will not affect this element of satisfactory progress.

**Incomplete (INC):** An incomplete grade (INC) signifies not all the required coursework was completed during the course. Students receiving an incomplete grade (INC) will have two weeks from the end of the academic module to complete the required course work which will lead to the removal of the incomplete grade. An incomplete grade (INC) will not be computed in the student's grade point average if the completed work is finished within the time frame specified in the grading policy. For credit hour courses, if the incomplete work is not finished within this time frame, the incomplete grade (INC) will revert to a letter grade based on an averaging of the grades achieved on all course work previously completed in the course. For clock hour courses, if the student did not complete the hours, the incomplete grade will become a Failing (F) grade.

**Withdrawal – Cancel (WC):** A student who elects to withdraw from his or her program of choice during the cancellation period will receive a withdrawal – cancel (WC) grade for all courses attempted or completed during the cancellation period. A grade of Withdrawal – Cancel (WC) will not count towards the quantitative evaluation.

**Withdrawal (W):** Students who are withdrawn from a course after the cancellation period will receive a withdrawal grade (W). In addition, students who are withdrawn from a program will receive a withdrawal grade (W) for all courses that were being attempted at the time of the withdrawal.

**Repeat (Repeat):** A student who repeats a previously attempted course will have the grade from the original attempt at the course changed to a repeated grade (Repeat) on the transcript.

#### **Failed Course**

A student who fails a course and does not complete the Request to Complete Course Requirements Form will be required to repeat the course in its entirety upon availability. When a student fails a course, the student's course schedule is impacted and often results in the student withdrawing from the program until the failed course is available.

#### **Course Repetition**

Students are allowed to repeat a failed class one time, without an appeal, and the prior attempted course will be listed with a grade of "R" for repeated attempt at the credits. Repeated courses count at attempted credits in determination of student progress, as long as completion does not exceed the maximum time frame of one and a half times the total program length. The grade earned in the repeated attempt will replace the original grade provided.

Students are also allowed one change of program during an academic year. Students in Credit-Hour non-term and Clock Hour programs are not eligible for SFA Title IV funds for repeated coursework while attending in the program. SFA Title IV funds are delayed until All of the scheduled credits in the pay period or all of the scheduled clock hours in the pay period are earned/complete.

#### **Withdrawal**

An official withdrawal from a course occurs when a student requests in writing or as a result of conversation with the campus Education Leader and/or School Director. Withdrawing will result in a "W" grade. Upon returning to complete the program, the course withdrawn from will be repeated in its entirety; the grade of "W" will be replaced with "R" (repeat). An unofficial withdrawal from a course or program is determined when a student fails to continue in attendance for 14 calendar days, fails to return from an LOA, or who fails to commence an externship within 15 days from the last date of recorded attendance. Students who are absent for 14 calendar days without communication with the school will be withdrawn from Milan due to abandonment of a program results in an "F" grade as the student failed to complete the requirements and therefore cannot earn credit.

### **Leave of Absence**

In the event that an interruption in academic study is required, and a Leave of Absence is needed, it is in a student's best interest to begin the leave once the course is completed. If that option is not possible and depending on when the Leave of Absence is requested, the student will either earn a grade in the course based on all coursework completed and not completed or be Withdrawn from the course with a grade of "W". In most cases a student will be withdrawn and the course will have to be repeated in its entirety. When a student takes a Leave of Absence the student's course schedule is impacted and often may result in the student withdrawing from the program at a later time until the required course is available. Upon returning from a Leave of Absence, a student must return at the beginning of a module/course.

**Grades of I (incomplete), and F (Failing) are not considered to be completed credits, however they do count as attempted credits in the progress calculation. Transfer hours and credits are accepted toward completion of a student's program as both hours/credits attempted and hours/credits completed.**

## **CONSEQUENCES OF FAILURE TO MEET SATISFACTORY ACADEMIC PROGRESS STANDARDS**

**Financial Aid Warning (FA Warning)** – Students who fail to meet minimum requirements for completion or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

**Financial Aid Probation (FA Probation)** – Students who fail to meet minimum requirements for completion rate or academic progress after the warning period will be notified of their termination of eligibility for Federal Student Aid funds. If the student files an appeal of academic progress and prevails, they will be placed on probation and considered to be making satisfactory academic progress during the probationary period. Students on financial aid probation remain eligible for Federal Student Aid funds. Students must be placed on an academic plan and must be able to meet requirements set forth in the academic plan by the end of the probationary evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress and maintain eligibility for Federal Student Aid by the next evaluation.

**Failed FA Probation or Exceeding 150% of the Program Length** - Students who fail probation will lose their eligibility for Federal Student Aid for the program in which they are enrolled. Within 5 business days the Campus Director will counsel the student and complete a "FA Ineligible Letter" to determine if student will continue their program on a cash payment plan or be dropped from the program. A signed copy must be emailed to SRC group. A cash payment plan will need to be in place within 5 business days from the original notification of FA Ineligible status notification. If not received by the timeline outlined above, the SRC will email a notification to the COO for final decision to allow an extension or proceed with dropping immediately.

**Maximum Timeframe (MTF)** – For a program measured in credits, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured in credits. MTF includes all hours attempted, which include successfully completed credits, transfer credits, withdrawals, and repeated classes.

For a program measured in clock hours, MTF is defined as a period that is no longer than 150% of the published length of the educational program, as measured by the number of scheduled clock hours the

student is required to complete and expressed in calendar time.

**Quantitative Evaluation** - Students are required to complete a minimum of 66.67% of the scheduled clock hours or financial aid credits required based on the applicable program requirements the to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The completion percentage is determined by dividing the total clock hours or financial aid credits attended/earned by the total number of clock hours or financial aid credits scheduled in the evaluation period. At the end of each evaluation period, Milan will determine if the student has maintained at least 66.67% cumulative completion rate which indicates that, given the same progression rate, the student will graduate within the maximum time frame [150%] allowed. Transfer clock hours or financial aid credits and those for which a student received a grade of "W", "I" or "R" will also be included in the Quantitative Evaluation.

**Qualitative Evaluation** The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students complete various in and out of class assignments, quizzes, projects, technical skills, and exams required for each course. Students are assigned theory study and a minimum number of practical assignments as required for course completion. Academic progression is evaluated after each course is completed. Students must maintain a grade point average of 2.0 or higher. Grades for Transfer clock hours or financial aid credits and Withdrawal (W), Withdrawal – Cancel (WC), Incomplete (INC) will not count towards Qualitative Evaluation. For Repeat classes, the latest grade will be included in the Qualitative Evaluation.

**Evaluation Periods** - Milan shall evaluate academic progress for all students at regular intervals (i.e., end of each payment period, academic year or program completion as detailed in the Program Overviews). Evaluations must be performed when a student reaches the scheduled hours or FA credits of a payment period.

**Leave of Absence / Temporary Interruptions** – For students returning from an approved leave of absence, their contract period and maximum time frame will be extended by the same number of days taken in the leave of absence. Reasonable provisions will be provided for LOAs or other temporary interruptions, such as academic advising or review of material when resuming training.

**SAP Re-Entry** - Students who have violated FA Probation and have been dismissed shall not be readmitted to the same program if they have exceeded, or may exceed, MTF until they re-establish appropriate SAP standing (e.g., transfer credits, as appropriate).

### **Appeal Procedure**

A student who loses aid eligibility due to failure to maintain satisfactory academic progress may appeal the status. The student must submit a written appeal of the dismissal within one week of the date the school took action. The appeal should be addressed to the School Director. The reasons for which a student may appeal include death of a relative, an injury or illness of the student, death in the family, etc. Supporting documentation must accompany the written appeal. For example, an appeal based on illness of the student should include applicable medical documentation. After successful appeal, with an academic plan, the student will be placed on SAP Probation for the following evaluation/payment period. The student must be at satisfactory academic progress at the end of the probationary period or financial aid eligibility will be terminated.

The student's appeal must address the following:

- The basis for the appeal – description of the special circumstances and,
- The reason why the student failed to meet the SAP standard(s) and,
- What has changed in the student's situation so that he or she will now be able to meet SAP standards.

Students are allowed one appeal to remain eligible for financial aid in an academic program.

**Leave of Absence / Temporary Interruptions** – For students returning from an approved leave of absence, their contract period and maximum time frame will be extended by the same number of days taken in the leave of absence. Reasonable provisions will be provided for LOAs or other temporary interruptions, such as academic advising or review of material when resuming training.

**SAP Re-Entry** - Students who have violated FA Probation and have been dismissed shall not be eligible for financial aid in the same program of study. Students may have the opportunity to return in a different program of study and be eligible for financial aid with an additional Satisfactory Academic Progress appeal.

#### **Re-enrollment/Re-entrance**

Re-enrollment or re-entrance will be approved only after evidence is shown to the director's satisfaction that conditions which caused the interruption or unsatisfactory progress have been corrected. Re-entering students return to the institution in the same progress status as when they left.

#### **LEAVE OF ABSENCE - Allied Health Programs**

Milan Institute permits students to request a leave of absence (LOA) as long as the leave does not exceed a total of 180 days during any 12-month period, starting from the first day of the first leave, that there is a reasonable expectation that the student will return, and as long as there are documented, legitimate extenuating circumstances that require the students to interrupt their education, including pregnancy (including childbirth, false pregnancy, termination of pregnancy, and recovery therefrom), temporary disability, medical reasons, or other reasons such that the campus determines that an LOA is in the student's best interest.

A student may take multiple leaves of absence as long as the total leaves of absence do not exceed 180 days during any 12-month period.

However, an LOA will not be granted for any of the following reasons:

- The courses that the student needs are not available;
- The courses that the student needs are available, but the student declines to take them;
- An externship/internship site is not available for the student;
- A student is unable to pay tuition;
- The student is failing a course(s); or
- To delay the return of unearned federal funds.

Students requesting an LOA must submit a signed and completed Leave of Absence Request Form prior to the beginning date of the leave. If circumstances of an unusual nature that are not likely to recur prevent the student from submitting the request in advance, the leave may still be granted, but only if:

- The school documents the unforeseen circumstances and the Education Leader, Dean or School Director determines that these circumstances meet the exception requirements (i.e., "of an unusual nature and not likely to recur"), for example, if a student were injured in a car accident and needed a few weeks to recover before returning to the institution, the student would not have been able to request the LOA in advance, and
- The student submits a signed and completed Leave of Absence Request Form. The beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.

Students granted an LOA that meets these criteria are not considered to have withdrawn, and no refund calculation is required at that time.

#### **Re-Admission Following a Leave of Absence**

- Upon return from leave, the student will be required to repeat the modules or class, if it had been interrupted, and receive final grades.
- The student will not be charged any fee for the repeat of any module or class from which the student took leave or for students returning from a leave of absence.
- The date the student returns to class is normally scheduled for the beginning of a class or module.
- When a student is enrolled in a modular program, the student may return at any appropriate module, not only the module from which the student withdrew.

### **Extension of Leave of Absence**

A student on an approved LOA may submit a request to extend the LOA without returning to class. Such a request may be approved by the Dean, Education Leader or School Director provided:

- The student submits a completed LOA Extension Request Form before the end date of the current leave.
- There is a reasonable expectation the student will return.
- The number of days in the leave as extended, when added to all other approved leaves, does not exceed 180 calendar days in any twelve (12) month period calculated from the first day of the student's first leave.
- Appropriate modules or classes required for completion of the program will be available to the student on the date of return. If the extension request is approved, the end date of the student's current leave will be changed in the official student information system to reflect the new end date.

If the request is denied, the student will be withdrawn and the withdrawal date will be the student's last date of attendance (LDA).

### **Return from a Leave of Absence**

A student must return from a LOA on or prior to the scheduled date of return. Students in modular based programs may return prior to the scheduled return date as long as they return on the first day of any appropriate module.

### **Failure to Return from a Leave of Absence**

If the student does not return from LOA as defined above, the student will be withdrawn. The withdrawal date will be the student's last day of attendance (LDA) for purposes of calculating a refund. A Title IV refund calculation will be completed using the last date of attendance prior to the start of the LOA.

### **Possible Effects of Leave of Absence**

Students who are contemplating an LOA should be cautioned that one or more of the following factors may affect the length of time it will take the student to graduate.

- Students returning from a LOA are not guaranteed that the module or class required to maintain the normal progress in their training program will be available at the time of reentry
- They may have to wait for the appropriate module to be offered
- Financial aid may be affected
- The LOA could also affect the student's:
  - Loan repayment terms, including the exhaustion of some or all of the student's grace period
  - Rate of progress
  - Maximum time frame for completion

## **ACADEMIC POLICY**

Students are expected to maintain an accumulative grade point average of 2.0 or higher.

### **CHEATING POLICY**

Dishonesty includes, but is not limited to, cheating, plagiarism, knowingly assisting another student in cheating or plagiarism, or knowingly furnishing false or misleading information to the school's instructors or administrative staff.

When a student is charged with cheating or plagiarism, and the instructor has proof to back up the charges, or a student admits to the charges when confronted, the instructor may handle the situation in the following ways:

- 1) Issue an oral warning or a written warning that will be put in the student's permanent academic file.
- 2) Issue the student an "F" or "0" on the assignment or test in question.
- 3) Issue the student an "F" for the entire class.
- 4) Refer the student to the School Director for disciplinary action, which may include suspension or dismissal from the school.

### **REQUIRED STUDY TIME**

In order to complete the required class assignments, students are expected to spend outside time studying. The amount of time will vary according to individual student abilities. Students are responsible for reading all study materials issued by the instructor and completing homework assignments.

### **EXTERNSHIP DISCLOSURE**

Most courses offered at Milan Institute require an externship (work experience) as part of the graduation requirement. The externship must be completed prior to receiving the Certificate of Completion for the course. Externship hours are completed at extern sites off campus.

It is, therefore, the student's responsibility to secure his/her own transportation to the extern site. It is also the student's responsibility to pay any costs associated with his/her transportation to and from the extern site or any special requirements mandated by the extern site.

### **GRADUATION REQUIREMENTS**

Milan Institute will award a Certificate of Completion to all students who successfully complete all graduation requirements. The school requires all students to meet their financial obligations and complete a financial aid exit interview prior to graduation.
